Event Report

Department of Neonatology conducted a workshop on Neonatal Ventilation on 7th August 2022 at Himalayan Institute of Medical Sciences, SRHU, Dehradun.

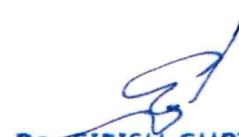

The aim of this workshop was to impart knowledge about basics of ventilation to all the attending health care providers (Doctors & Nurses).

Being a tertiary care centre and respiratory illness is one of the most common problem of neonates, so for capacity building and to provide skilled training to all health care provider this event was organized.

Following are the details of this workshop:

1. Inauguration was done by Chief Guest of the workshop, respected Dr. Prakash Keshaviya, member HIHT board and Financial Advisor and by Guest of Honour Prof. Mushtaq Ahmad, Director Medical Services, HIMS.
2. The occasion was also graced by respected Principal & Dean Prof Ashok Kumar Deorari.
3. This workshop was held in hybrid mode. A total of 54 delegates attended the workshop. Offline and online participants from all over India, and international delegates from Mauritius, Nigeria and Australia attended the programme. Offline delegates included respectable Senior Pediatrician of the state Dr. Arun Kumar from Roorkee.
4. The highlight of the programme was the release of 2nd book from Department of Neonatology "Holistic care of Newborns on Mechanical Ventilation" by Chief Guest of the workshop, respected member HIHT board and Financial Advisor Dr. Prakash Keshaviya. This book is intended for all health care providers for easy applicability and to provide better newborn care.
5. 4 lectures and 4 workstations for hands on practical aspects of mechanical ventilation were conducted. This included the following relevant topics of newborn mechanical ventilation.
 - A) Conventional Ventilation
 - B) High Frequency Ventilation
 - C) Pulmonary Graphics and surfactant administration techniques.
 - D) Hands on training on Intercostal tube insertion (ICD) and Cricothyrotomy.
6. This workshop was held under guidance of Surg RAdm Prof Girish Gupta, Head of department of Neonatology at HIMS under the umbrella of his "Brain Child online mentoring Programme" – NETTSU 2022. Dr. Saikat Patra, Assistant Professor Department of Neonatology, Dr. Chinmay Chetan, Assistant Professor Department of Neonatology, Dr. Sanobar Wasim, Associate Professor Department of Paediatrics and Dr. Yasir Ahmad Lone, Associate Professor Department of Paediatric Surgery were the faculties at the workshop.

The programme concluded with positive feedback and remarks from all the attending delegates.
