

Curriculum Implementation Support Program: 24th to 25th August 2023

The Curriculum Implementation Support Program III in MET was held from 24th to 25th August 2023, at HIMS, Dehradun. This workshop was attended by a total 28 Faculty members. The schedule followed for the workshop was as recommended by NMC. In order to orient with the objectives, TL methods and assessment strategies, a lot of interactive sessions were held. The group work generated lot of discussion among the participants. The overall enthusiasm of the participants was very encouraging despite the numerous constrains, in implementation at various levels. The student-doctor method of teaching was appreciated by participants though they expressed that the clinicians often have time constraints due to which small group discussions and bedside teaching becomes a challenge. However, the overall enthusiasm of the participants was very encouraging, and the moderation of all sessions was done in Interactive mode.
