Topic: “Developing Culture for Quality & Patient safety”

Speaker - Dr Girdhar Gyani
Director General,
Association of Healthcare Providers (India)
404, Ashoka Estate, Barakhamba Road,
New Delhi, Delhi 110001

Quality in Healthcare & Patient Safety as such are two sides of same coin. Patient Safety has been on agenda globally since publication of studies documenting the extent of harm caused during delivery of care. It got serious push after publication of: “To Err is Human”. WHO has curriculum on Patient Safety but somehow it has not been part of MBBS curriculum here in our country. Introduction of NABH accreditation in year 2006 has been able to bring the subject in our hospitals, though number of accredited hospitals is still a small number, but surely patient safety has come in the fore front largely due to incentives by government and private insurance companies including CGHS and AYUSHMAN BHARAT. The Guest lecture shall focus on how Patient Safety culture as such helps management, clinicians and above all patients.

All Faculty & Post Graduate Residents are required to attend the Guest Lecture.
