29th & 30th
March 2024

INVITATION

The Organizing Team invites you to the FORENSIC EYE -2024 (Conference of Forensic Medicine & Toxicology) at the Himalayan Institute of Medical Sciences, Jolly Grant, Dehradun on 29th and 30th March 2024.

The conference will be held in the hybrid mode (both offline and online) for the convenience of the participants. The themes of the conference are

1. Effective delivery of medicolegal services.
2. Attitude Ethics & Communication in relation to Forensic Medicine.

Situated in the majestic Himalayas, offering exquisite views, and pleasant weather, this place is home to many prestigious educational institutions. Dehradun, or Dron Nagri, has always been a centre of education and it is believed that the Pandavas and Kauravas too received their education from Guru Dronacharya here.

Welcome to Dehradun, the city of love, known for its exquisite climate and the myriad attractions that will leave you spellbound with its serene beauty.

The organizing team has worked hard to ensure not only an academic feast but also a warm and comfortable stay. We hope that the deliberations and interactions will contribute to the cause of the Forensic Medicine and Toxicology through your knowledge and expertise.

We look forward to meet you in March and hope that this academic bonanza will echo in our hearts for years to come.

- Organizing Team
