Report of the workshop by Johnson and Johnson Institute on wheels

Respected Madam,

A workshop on Open and laparoscopic knotting, suturing and dry vascular anastomosis was conducted by '**Johnson and Johnson Institute on wheels**' on **07/03/2024 and 08/03/2024**. The workshop aimed at providing a hands on learning opportunity to all the surgical residents as well as MBBS students and to aid them in learning critical surgical techniques and skills which will help them in their day to day practice. The workshop had video lectures on the basics of knotting and suturing techniques and was followed up by a live demonstration by the consultants from department of general surgery as well trainers from Johnson and Johnson. The workshop was a great success and was all attendees had a unique opportunity to have hands on learning of basic surgical skills. Surgical residents as well as MBBS students showed great enthusiasm in attending the workshop and were very inspired.

We are attaching the event permission letter and geo-tag photos with this report.

Thanking you,

Yours sincerely,

Dr. Hemant Kr. Nautiyal
Professor & Head
Dept. of General Surgery

Respected Sir,

We are organizing a On Wheel -JJIW (Johnson And Johnson Institute On Wheels) based skill lab surgical skill 2 days course from 07/03/2024 & 08/03/2024 for residents on open & laparoscopic knotting suturing and Dry Vascular anastomosis training to make them learn critical surgical techniques which will help them in their day to day practice.

Kindly allow us to organise this workshop and provide necessary space, power and safe anchoring facility.

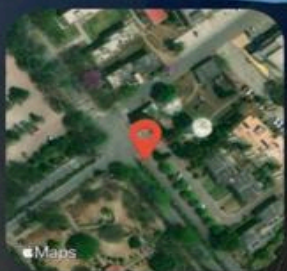

Thanking you

Yours Sincerely

Dr. Hemant Kr. Nautiyal
Prof. & Head
Dept. of Gen. Surgery
