

Report on the Postgraduate Development Program of Indian Psychiatric Society -Central Zone, on "Revisiting Clinical Assessment in Psychiatry"

Organized by: Himalayan Psychiatric Society

Date: 6th and 7th July 2024

Venue: Dehradun

Introduction

The Himalayan Psychiatric Society successfully organized a two-day Postgraduate Development Program on "Revisiting Clinical Assessment in Psychiatry" on the 6th and 7th of July 2024 in Dehradun. This program aimed to enhance the clinical assessment skills of MD Psychiatry trainees and was attended by more than 125 trainees from the states of Uttar Pradesh, Madhya Pradesh, Chhattisgarh, and Uttarakhand. The event was a significant milestone in our ongoing efforts to advance psychiatric education and practice in the region.

Inauguration

The program was inaugurated with great enthusiasm and was presided over by our esteemed president, Dr. Anil Nischal, President of the Central Zone. The Vice President, Dr. Ruma Bhattacharya, and Honorary Treasurer, Dr. Manish Borasi, also graced the occasion with their presence. We were honored to have Professor Dr. Rajat Rey, the senior-most psychiatrist of Dehradun at present, as the Chief Guest, and Major Dr. Nand Kishore as the Guest of Honor for the inauguration ceremony. Dr. Ravi Gupta and Dr. Shobit Garg as Organizing chairpersons welcomed all the dignitaries and the students, Dr. Priya Ranjan Avinash as the organizing secretary delivered the vote of thanks.

Organizing Committee

As the Secretary of the Himalayan Psychiatric Society and the Organizing Secretary of the program, I undertook various responsibilities under the guidance of Organizing chairpersons and the officials of Central zone, including planning the program, inviting resource persons, booking the venue, and managing the logistics for students and faculty stay and transportation. I was ably supported by my fellow organizing committee members, whose dedication and hard work were instrumental in the seamless execution of the event.

Conclusion

The Postgraduate Development Program on "Revisiting Clinical Assessment in Psychiatry" was a resounding success, providing a platform for knowledge sharing, skill enhancement, and professional networking. The enthusiastic participation of trainees and the insightful contributions of faculty members made this event highly enriching and memorable.

We express our heartfelt gratitude to all participants, resource persons, and organizing committee members for their unwavering support and commitment. We look forward to organizing more such programs in the future to continue our mission of advancing psychiatric education and practice.
