

WOKSHOP & CME REPORT

The Department of Biochemistry organized a Continuing Medical Education (CME) event titled "Prabodhan" on quality control in laboratories, in collaboration with Bio-Rad Laboratories. The session was attended by faculty and technical staff from clinical chemistry and immunoassay laboratories, HCDRL. Dr. Anjali Singh, from Clinical Affairs & Technical Support at Bio-Rad Laboratories India, delivered an insightful talk, covering key aspects of both internal and external quality control.
