Activity report

Pediatric Acute Care Nursing workshop held on 4th May 2024

Date: 10/05/2024

Department of Pediatrics and department of Critical Care Nursing organized workshop conducted on 'Pediatric Acute Care Nursing' at Himalayan Institute of Medical Sciences (HIMS) on 4th May 2024. Over 80 nursing staff from various terrains of Uttarakhand (Roorkee, Haridwar, Dehradun, Haldwani) participated in the event which was full of hands-on experience at state of art skill lab of HIMS. Dr. Ashish Simalti (organizing chairperson and PICU in charge) emphasized that skilled nurses are the backbone to deliver prompt care to critically sick children. Dr. Anil Rawat, HOD Pediatrics, highlighted the importance hands-on simulation-based workshop with advanced technology in enhancing the skills of a nurse in caring for sick child. Principal HIMS Dr. Ashok Deorari graced the occasion and encouraged the participants. Dr. Sanober and Dr. Jyoti trained the nurses in using non-invasive respiratory support devices. Dr. Neerul, Dr Nitika, Dr. Aditi conducted simulation case scenario on intubation.

Hands on training on CPR and various other virtual scenarios with dummies were simulated by learned faculty of the team- Dr. Alpa Gupta, Dr Manju, Dr. Rajesh, Dr. Rakesh, Dr. Sonam, Dr. Manjyot. Highlight of this workshop was that senior nurses working in PICU sis. Sheeja, sis. Agnes, Sis. Tanya, sis. Megha, Bro. Umendra, bro. Srinath took the lead in training the delegates. Event was appreciated for hand-on training and simulation case scenarios which enhanced the knowledge and skills of nurses of this region in acute care of sick child in a safe yet profound way. Furthermore, this type of skill enhancing, case -based scenarios were not only enjoyed and but demanded in various other aspects by the participants.
