

The Curriculum Implementation Support Program (CISP) Workshop: 2nd & 3rd April 2024

The Curriculum Implementation Support Program in MET was held from 2nd & 3rd April 2024, at HIMS, Dehradun. A total of 30 faculty members participated in the CISP held from 2nd & 3rd April 2024, from various Medical Colleges allocated to this Regional Centre. The schedule followed for the workshop was as recommended by NMC. Moderation of all sessions were done in Interactive mode. The workshop aimed to support the implementation of the new curriculum by introducing competency-based medical education (CBME). The components of student-doctor method of Clinical Teaching was conceptualized along with discussions on new graduate medical education regulations. A session on ATECOM module was specially designed in order to effectively improve the communication skills of medical students. The overall enthusiasm of the participants was very encouraging despite the numerous constrains. However, lot of interactive sessions were held. The group work generated lot of discussion among the participants.
