Date: 4th September, 2025

Time: 12:30pm to 1:30pm

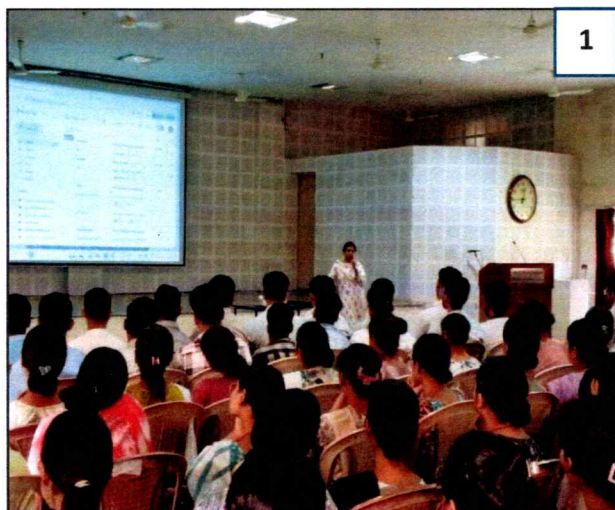

Venue: Mother Teresa Auditorium, HCN, SRHU

Speaker: Mrs. Priya J.P.N, *Assistant Professor, HCN, SRHU*

An interactive session on “**Gender Sensitization**” was organized for Nursing Students, Batch 2025, conducted by Mrs. Priya J.P.N, *Assistant Professor, HCN, SRHU*. The session aimed to raise awareness among students about gender equality, roles, rights, and the importance of respectful behaviour in academic and professional environments, particularly within the healthcare sector.

It began with a brief introduction to the topic, followed by the screening of carefully selected short videos illustrating gender roles and real-life scenarios highlighting gender bias and sensitivity. After each video, a short interactive discussion was held, allowing students to share their views and reflections. An animated documentary was then presented to help students understand gender stereotypes, gender equality in healthcare, and the importance of respectful communication and behaviour.

The outcome of the session was that students gained a clear understanding of gender concepts and the importance of sensitivity and equality in healthcare settings. They actively participated and expressed a willingness to promote respectful and inclusive environments. The session successfully met its objectives and served as a meaningful step toward building a more aware, inclusive, and responsible nursing community.
