Dear Ma'am,

Greetings! As discussed with you telephonically on June 6th, 2025, we have scheduled a guest lecture on the topic "Perioperative fluid status evaluation, therapy including the choice of colloids and goal-directed therapy" on 28th July 2025, preferably from 9:00 am to 10:00 am, at the Classroom of our Blood Centre, Himalayan Hospital.

The participants will include our first- and second-year MD students (2023 & 2024 Batch), faculty from the Department of IHBT, technical staff of the Blood Centre, and a few MBBS interns (subject to their posting at that time).
