

Basic Course in Medical Education (BCME) Workshop: 12th to 14th August 2025

As per the guidelines of the National Medical Commission (NMC), the Department of Medical Education, HIMS successfully organized the **Basic Course in Medical Education Technologies (BCME)** from **12th to 14th August 2025** at the **Himalayan Institute of Medical Sciences (HIMS), SRHU, Dehradun, Uttarakhand.**

The workshop was conducted following the formal approval received from the NMC Academic Cell on 07th August, 2025 . A total of **26** participants attended the workshop, including faculty members from various medical colleges under the HIMS Regional Centre, as well as internal faculty members from HIMS. The sessions were guided by meticulously prepared materials developed by the Expert Faculty group of the Academic Cell, NMC.

Workshop Highlights

- Organized as per the guidelines of the **National Medical Commission (NMC Academic Cell)**.
- The total 16 Participants from HIMS, 1 from Graphic Era College, Dehradun, 2 from YSPGMC, Nahan, HP, 2 from SGRR, Dehradun, 3 from JNMCAMU, Aligarh, and 2 from SLBSGMC&H from Mandi, HP are attended the BCME workshop organized by HIMS.
- The atmosphere was very congenial for learning.
- We are more confident about curriculum, roles goals & competencies because topics were presented in a simplified manner.
- We feel more interactive methods can be added and PowerPoints minimized. The sessions without use of PowerPoints (PPTs) were best.
- Things were simplified and the things that I feared earlier seem easy now.
- There were so many aspects that were clarified very well. For the first time we understood the true essence.
- The PPTs were simplified to trail.
- The participants attended all sessions & were punctual.
- The atmosphere was congenial for learning & participants were kept-engaged through various activities.
- The participants could grasp the basic concepts at the end of the day & raised relevant questions.
- Small group discussions were acknowledged as a good way of active learning for adults.
- Workshop was conducted in an air-conditioned & comfortable hall. The projection was clear.

Short summary

The workshop enrolled faculty from HIMS and allocated medical colleges under HIMS (RC). The participants were enthusiastic & participated actively during all sessions.
