The **Community Health Nursing Department** of the Himalayan College of Nursing organized a **Guest Lecture on Digital Safety and Cyber Security** on 06 August 2025 at the Mother Teresa Auditorium. The session was arranged with the objective of creating awareness among nursing faculty and students about safe practices in the digital world and understanding the importance of cyber security in personal as well as professional life. Welcome address was delivered by Mr. Atul Kumar, Assistant Professor of Community Health Nursing Department

The resource person for the lecture was **Mr. Rajeev Semwal** , Sub Inspector (Uttarakhand Police), an expert in the field of cyber security, who shared valuable insights on various aspects of online safety. The key topics covered during the lecture included:

- Safe use of social media and digital platforms
- Protection of personal data and sensitive health information
- Common types of cyber threats such as phishing, hacking, identity theft, and cyberbullying
- Legal perspectives and government initiatives on cyber security in India

The session was highly interactive, with students actively participating in discussions and clarifying their doubts regarding online safety. Practical tips and real-life examples were shared, which made the session more relatable and impactful for the participants.

The program concluded with a vote of thanks delivered by Mr. John Davidson, Assistant Professor, Himalayan College of Nursing.
