

Date: July 19, 2025

Department of Orthopaedics  
Himalayan Institute of Medical Sciences  
Swami Rama Himalayan University

**NOTICE**

The **Department of Orthopaedics** is organizing a **Guest Lecture** for PG training (hands on workshop with interactive session) as per the following details:

- **Topic:** Barb Suture for Capsule Closure
- **Speaker:** Dr. Kalyanasundaram Sivaprasad  
*D.N.B (ORTHO), Jun 1996*  
*M.S. (ORTHO), Jan 1996, Mumbai University*  
*MBBS, April 1990, Utkal University*
- **Date:** 19th July 2025
- **Time:** 7:30 PM – 9:00 PM
- **Venue:** Hotel MJ Aero Suites, near Himalayan Medical College, Dehradun

All concerned are requested to attend the session and make it a success.

**Dr. Atul Agrawal**  
Professor & Head  
Department of Orthopaedics

**Date of Event:** 19 July 2025

**Venue:** Seminar Room, Department of Orthopaedics

**Report: Scientific Session on "Barb Suture for Capsule Closure"**

A scientific session on the topic "**Barb Suture for Capsule Closure**" was conducted on **19th July 2025** at **Hotel MJ Aero Suites**, located near Himalayan Medical College, Dehradun. The session was scheduled from **7:30 PM to 9:00 PM**, and witnessed active participation from postgraduate students, faculty members, and practicing orthopaedic surgeons.

The speaker for the session was the esteemed **Dr. Kalyanasundaram Sivaprasad**, a highly experienced orthopaedic surgeon, holding the following qualifications:

- **D.N.B (Ortho)** – June 1996
- **M.S. (Ortho)** – January 1996, Mumbai University
- **MBBS** – April 1990, Utkal University

Dr. Sivaprasad delivered an insightful and engaging lecture focusing on the use of **barbed sutures** in capsular closure, an evolving technique that enhances surgical efficiency and reduces operative time. He elaborated on the **biomechanical advantages** of barbed sutures, their application in various orthopedic procedures, and shared real-case experiences with intraoperative images and post-operative outcomes.

The session included a **Q&A segment**, where attendees actively interacted with the speaker, seeking clarifications and discussing challenges faced in clinical practice. Dr. Sivaprasad answered all queries with clarity, drawing from his vast clinical experience.

The event concluded with a note of thanks to the speaker for his valuable contribution, followed by a brief networking session over refreshments.

Overall, the session was highly appreciated and proved to be an enriching experience for all attendees.
