REPORT

Name of Activity: Guest Lecture

Topic: New developments in gall stone treatment: discussing emerging treatments and technologies for managing gall stones

Venue: Mother Teresa Auditorium, HCN

Date: 18th July, 2025

Time: 10:00am to 11:00am

No. of Participants: 143

Facilitator: Dr. Kamli Prakash, HOD, Adult Health Nursing

The Department of Adult Health Nursing, Himalayan College of Nursing, SRHU, organized a guest lecture on the topic “*New Developments in Gallstone Treatment: Emerging Treatments and Technologies*” on 18th July 2025. The session was held under the vision of Dr. Sanchita Phugazhendi, Principal, and guidance of Dr. Kamli Prakash, Vice Principal and Head of the Department.

The objective of the session was to provide students with expert insights into recent advances in gallstone management, enhancing their academic and clinical understanding. The event began with a warm welcome by the anchor, followed by an introduction of the guest speaker, **Prof. (Dr.) Pawan Kumar**, Professor and Head, Department of Medical-Surgical Nursing, Faculty of Nursing, SGT University, Gurugram, Haryana.

Dr. Kumar delivered an informative lecture covering both traditional and cutting-edge approaches to gallstone treatment, including non-surgical options, endoscopic procedures, and minimally invasive technologies. His talk effectively bridged theoretical knowledge with clinical application.

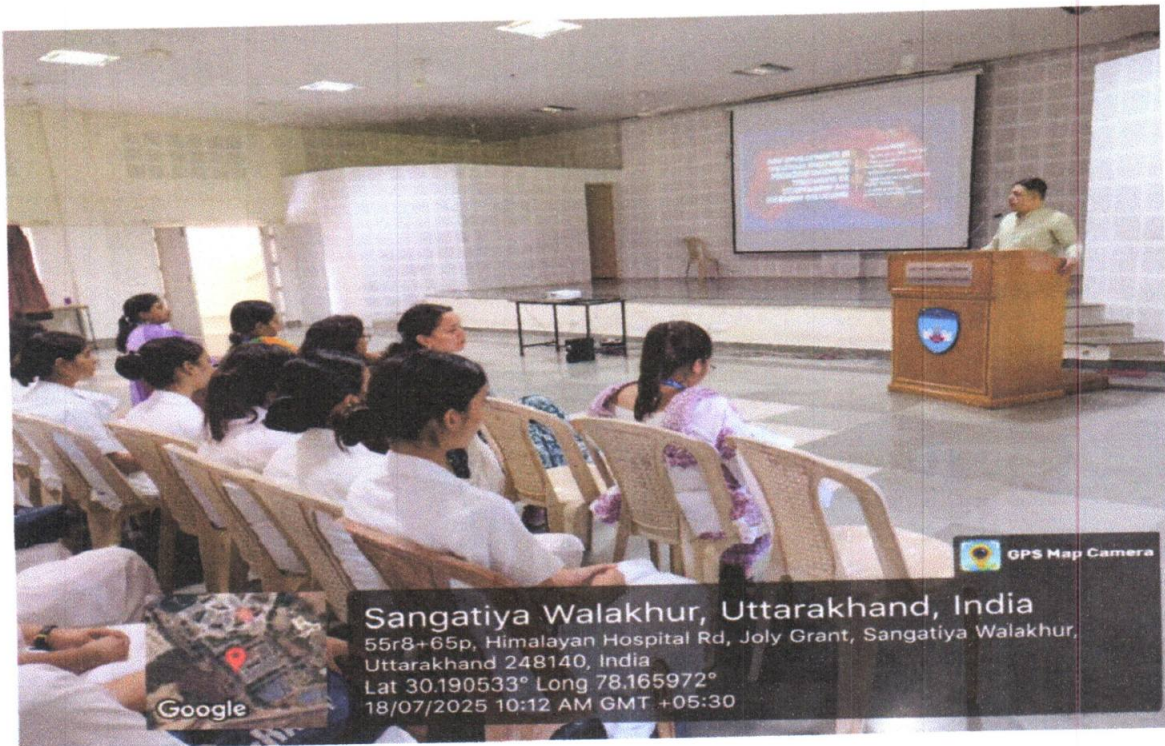

A total of **143 beneficiaries** attended and actively participated in the interactive Q&A session. The speaker addressed queries with clarity, encouraging deeper engagement and critical thinking among students. Feedback from the participants was highly positive.

As a token of appreciation, **Mrs. Priya J.P. Narayan**, Assistant Professor, Department of Adult Health Nursing, presented a memento to the guest speaker. The event concluded with a formal vote of thanks.
