Report of hands on workshop by Johnson and Johnson Institute on wheels

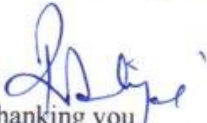

Respected Sir,

A proctorship hands- on workshop on Basic Surgical Skills on knotting and suturing for open and endoscopy surgeries was conducted by '**Johnson and Johnson Institute on wheels**' on **12/07/2025 (Saturday) and 13/07/2025 (Sunday)**.

The workshop aimed at providing a hands on learning opportunity to all the surgical residents as well as MBBS interns and to aid them in learning critical surgical techniques and skills which will help them in their day to day practice. The workshop began with an informative interactive practical session moderated by Professor Hemant Nautiyal, HOD Surgery on the basics of knotting and suturing techniques. this was followed up by a live demonstration on models and pelvi- trainer moderated by Professor Ruchira Nautiyal, HOD OBG.

There were live videos and proctorship by the consultants from department of OBG which helped impart basics of gynae pelvic surgery to the residents supported by qualified trainers from Johnson and Johnson. The workshop was a great success and all attendees had a unique opportunity to have hands on learning of basic surgical skills. Residents and MBBS interns showed great enthusiasm in attending the workshop and were very inspired.

We are attaching the event permission letter, attendance and photo with this report.

Thanking you,
Dr. Ruchira Nautiyal
