

## **The Curriculum Implementation Support Program (CISP III) Workshop: 16th to 17th May 2025**

As per the guidelines of the National Medical Commission (NMC), the Department of Medical Education, HIMS successfully organized the **Curriculum Implementation Support Program (CISP III)** from **16th to 17th May 2025** at the **Himalayan Institute of Medical Sciences (HIMS), SRHU, Dehradun, Uttarakhand.**

The workshop was conducted following the formal approval received from the NMC. A total of 30 participants attended the program, including faculty members from various medical colleges under the HIMS Regional Centre, as well as internal faculty members from HIMS.

The workshop aimed at various aspects implementing the new curriculum for proper implementation. Small group discussion and interactions and to address participants queries. Dynamic group activities fostered a collaborative atmosphere, encouraging participants to share their thoughts and insights freely. A visit to the simulation lab was highly appreciated where most participants expressed the need for more elaborate training on simulation. The integrated teaching session where there was making of the time-table brought up many avenues of inter-disciplinary teaching.

### **Workshop Highlights**

- Conducted under NMC's direction and standards.
- Included faculty from HIMS and HIMS RC-affiliated medical colleges.
- Key arrangements:
  - Stay and travel for outstation attendees.
  - Distribution of kits and materials.
  - Fully tech-enabled venue.
- Attendance was diligently recorded twice daily—during morning and evening sessions—to ensure full participation.
- NMC certificates were distributed to all successful participants, accompanied by a group photograph session.

The event ran successfully with strong participation and positive outcomes. Faculty members benefited from hands-on training in modern teaching methodologies. Appreciation is extended to the NMC for their support and guidance.
