Dated: 17th November 2025

Notice

Dear Students,

This is to inform you all that the School of Science & Technology is organizing a **Seminar on "Cyber Hygiene and Cybercrime Awareness"** scheduled to be held on 20th November 2025 to enhance understanding of safe online practices and to spread awareness regarding emerging cyber threats.

Objective:

- To encourage innovation and creativity among participants from diverse academic and professional backgrounds.
- To provide a platform for participants to present their project prototypes, share ideas, and receive constructive feedback.
- To promote interdisciplinary collaboration and knowledge sharing among participants.
- To recognize and reward outstanding projects that demonstrate technical excellence and real-world impact.

Event Details:

- **Date & Time:** 20th November 2025 (01:00PM to 02:00PM)
- **Venue:** LT-03, School of Science & Technology Building

For further details, please contact:

Report

Event Name: Seminar on "Cyber Hygiene & Cyber Crime"

Date: 20th November 2025

No. of Participants: 47

Resource Person: Dr. Anupama Mishra, Department of Computer Science & Engineering, School of Science & Technology, Email id - anupamamishra@srhu.edu.in, Contact No. - 9639601234

Event Coordinator: Dr. Ashutosh Kumar Choudhary, Department of Applied Science & Humanities

Objectives:

- To encourage innovation and creativity among participants from diverse academic and professional backgrounds.
- To provide a platform for participants to present their project prototypes, share ideas, and receive constructive feedback.
- To promote interdisciplinary collaboration and knowledge sharing among participants.
- To recognize and reward outstanding projects that demonstrate technical excellence and real-world impact.

Summary:

The School of Science & Technology, SRHU, has organized a seminar on "Cyber Hygiene and Cybercrime Awareness" on 20th November, 2025. The session aimed to create awareness among students about safe online practices, emerging cyber threats, and preventive measures to safeguard digital identity and data. The program began with the Cyber Security Oath, administered to all participants as per the guidelines available on gov.in, reinforcing their commitment to maintaining responsible digital behaviour. The session covered key areas including password hygiene, phishing attacks, social engineering threats, digital financial frauds, safe use of social media, and reporting mechanisms through national cyber grievance portals. Real-life case studies and practical demonstrations were also shared to enhance participants' understanding. The session witnessed active participation, and attendees engaged in an interactive Q&A round. The seminar successfully highlighted the importance of adopting routine cyber hygiene practices.

Outcomes / Achievements:

The seminar resulted in significant achievements by enhancing participants' awareness of essential cyber hygiene practices and emerging cyber threats. Attendees developed practical skills in safeguarding their digital identities through improved password management,

recognition of phishing and social engineering attacks, and the safe use of online platforms. The Cyber Security Oath further reinforced responsible digital behaviour, instilling a sense of accountability among all 47 participants. Real-life case studies and demonstrations deepened their understanding of cybercrime scenarios, while the interactive Q&A session encouraged active engagement and clarified doubts. Additionally, the seminar empowered participants with knowledge of national cyber grievance reporting mechanisms, contributing to a more informed, vigilant, and cyber-aware community.
