Date: 29th October 2025

Notice

Dear Students,

The School of Science and Technology (SST), Swami Rama Himalayan University (SRHU), Dehradun, is pleased to announce the organization of a **National Seminar on “India’s Role in Bridging the Global AI Divide”**. The seminar aims to provide a vibrant platform for academicians, industry professionals, researchers, and students to explore India’s growing influence in the global Artificial Intelligence ecosystem. In an era where AI technologies are reshaping industries and economies, this seminar will focus on India’s potential to drive equitable access, innovation, and policy development in AI for inclusive growth.

Objective:

The primary objectives of this seminar are to:

- Discuss India’s strategic position and initiatives in the global AI landscape.
- Explore challenges and opportunities in democratizing AI across developing nations.
- Promote awareness of responsible and ethical AI practices aligned with India’s vision for “AI for All.”
- Facilitate dialogue between academia and industry to bridge the knowledge and implementation gaps in AI research and applications.

Event Details:

- **Date:** 31st October 2025 (Friday)
- **Time:** 09:30 AM onwards
- **Venue:** Vishvesvarya Auditorium, School of Science and Technology
- **Organized by:** School of Science & Technology **in collaboration with** IEEE SRHU Student Branch (STB60226050)

Guest Speakers / Resource Persons:

- Dr. Mayank Aggarwal – Eminent Researcher and AI Policy Expert, known for his contributions to ethical AI and digital transformation.
- Dr. Neel Mani – Distinguished Academic and Technologist, specializing in AI applications for social and industrial development.
- Mr. Ravi Singhal – Industry Leader and Innovator in AI-driven business intelligence and automation systems.

School of Science & Technology

[A Constituent Academic Unit of Swami Rama Himalayan University]

The event will be graced by distinguished faculty, students, and invited participants from academic units of SRHU.

Expected Outcome:

- A deeper understanding of India's contributions toward making AI more inclusive and globally accessible.
- Insights into real-world applications, challenges, and opportunities for collaboration in the AI domain.
- Exposure to ongoing national and international initiatives fostering ethical, transparent, and equitable AI ecosystems.
- Inspiration to undertake research, projects, and innovations that align with India's vision of "AI for All."

Conclusion:

The **National Seminar on "India's Role in Bridging the Global AI Divide"** serves as a step toward empowering students, researchers, and professionals with the knowledge and perspective needed to make India a leader in responsible and inclusive AI development. The School of Science and Technology, SRHU, invites all interested participants to attend and contribute to this insightful academic discourse.

All are cordially invited to participate and make the event a grand success.

Report

- **Title of the Event/Activity:** National Seminar on "India's Role in Bridging the Global AI Divide"
- **Event Date:** 31st October 2025
- **Venue:** Vishvesvarya Auditorium, School of Science & Technology, Swami Rama Himalayan University, Dehradun
- **Organized by:** Department of Computer Science & Engineering, School of Science & Technology, Swami Rama Himalayan University
- **Coordinator:** Dr. Gunjan Chhabra, Associate Professor, & Mr. Gaurav Aggarwal, Assistant Professor, Department of Computer Science & Engineering

- **Summary / Overview:**

The Department of Computer Science & Engineering, School of Science & Technology (SST), Swami Rama Himalayan University (SRHU), organized a National Seminar on the theme "**India's Role in Bridging the Global AI Divide**" on 31st October 2025 at the Vishvesvarya Auditorium. The seminar brought together distinguished experts from academia and industry to discuss India's growing influence and leadership in shaping a responsible and inclusive global AI ecosystem. The seminar was inaugurated by Prof. (Dr.) Pramod Kumar, Dean, School of Science & Technology, who emphasized the importance of continuous learning, innovation, and ethical responsibility in the AI-driven era. The event featured insightful sessions that highlighted how India, with its vast talent pool and digital ecosystem, is positioned to lead in bridging the AI accessibility and capability gap globally.

- **Speakers and Sessions:**

The seminar included enlightening talks from eminent speakers representing diverse domains of Artificial Intelligence:

- **Dr. Mayank Aggarwal**, Eminent Researcher and AI Policy Expert, delivered a keynote on "India's Role in Bridging the Global AI Divide," emphasizing the nation's potential to lead inclusive and ethical AI innovations globally.
- **Dr. Neel Mani**, Distinguished Academic and Technologist, presented a session on "Emerging Trends, Technologies & Innovation in AI," exploring the cutting-edge advancements transforming industries and society.
- **Mr. Ravi Singhal**, Industry Leader and Innovator, shared his expertise through a session on "AI in Banking and Finance," demonstrating how AI is revolutionizing financial systems through improved efficiency, risk management, and fraud detection.

• Objectives:

- To provide a platform for students and faculty to engage with experts and understand the strategic role of India in AI innovation.
- To promote awareness about ethical and responsible AI practices.
- To encourage research, interdisciplinary collaboration, and innovative thinking among students.
- To strengthen academic-industry linkages for AI-based knowledge exchange and capacity building.
- To motivate participants to contribute toward sustainable and inclusive technological development.

• Participation Details:

The seminar witnessed enthusiastic participation from faculty members, and students from the Department of Computer Science & Engineering. The total number of participants exceeded 120. The engaging discussions provided valuable insights into AI ethics, innovation, and India's strategic positioning in global AI policymaking.

• Outcome / Achievement:

The National Seminar successfully achieved its objective of fostering awareness and dialogue around India's emerging leadership in Artificial Intelligence. Participants gained an in-depth understanding of the challenges and opportunities associated with the AI divide and the importance of ethical AI practices. The event inspired students to pursue research and innovation in AI while encouraging responsible use of technology to drive social good. The seminar concluded with a collective vision to establish SRHU as a hub of AI research, innovation, and capacity development in the region.
