Report on 'Symposium to mark World Food Day' 16th October 2025

Venue: Board Room, SBS, SRHU

Mode: Online

Total Participants: 51 (27 Students, 09 Faculties (SBS), 05 Guest Speakers & 10 online participants)

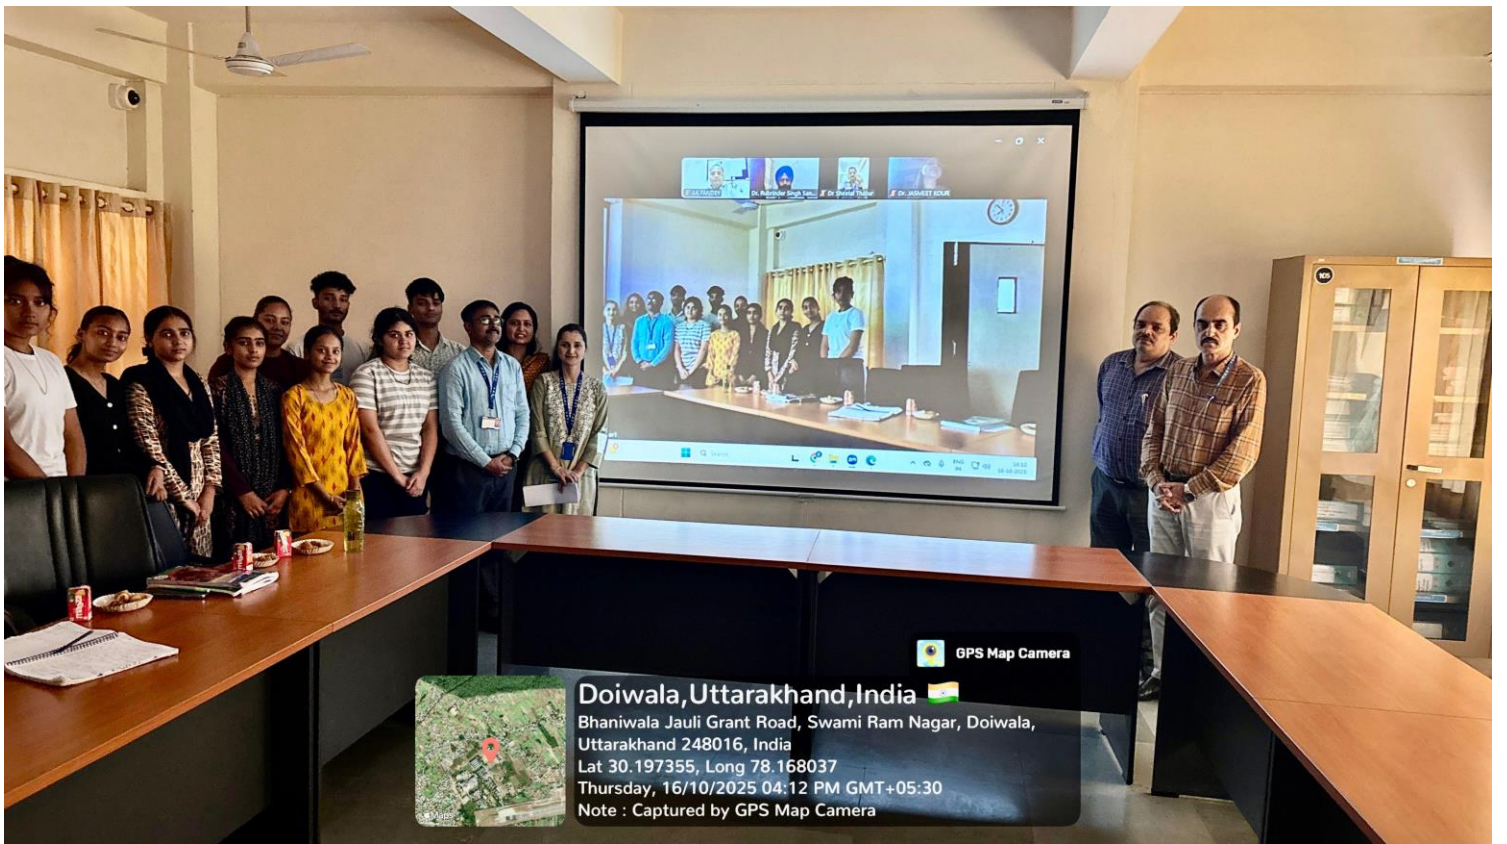

The **School of Biosciences, Swami Rama Himalayan University**, organized an online **Symposium on World Food Day** on **16th October 2025** to commemorate the global initiative led by the **Food and Agriculture Organization (FAO)** of the United Nations. The event brought together experts, researchers, students, and academicians to deliberate on sustainable food systems, nutrition security, and innovative solutions aimed at ensuring a healthier planet. The symposium aligned with the theme **“Global Action Towards Food Security and Sustainable Nutrition for All”**, emphasizing the interconnectedness of food production, consumption, and environmental sustainability under the broader concept of **“From Plate to Planet.”**

The event was inaugurated by the Dean, School of Biosciences, SRHU, Dr Sanjay Gupta and the Vice-Principal, Dr Vivek Kumar. The other members present were Dr Vikash Singh Jadon, Dr Geeta Bhandari, Dr Gourav Kumar, Dr Nupur Joshi, Dr Samiksha Joshi, Dr Smita Dimri and Dr Megha Sharma.

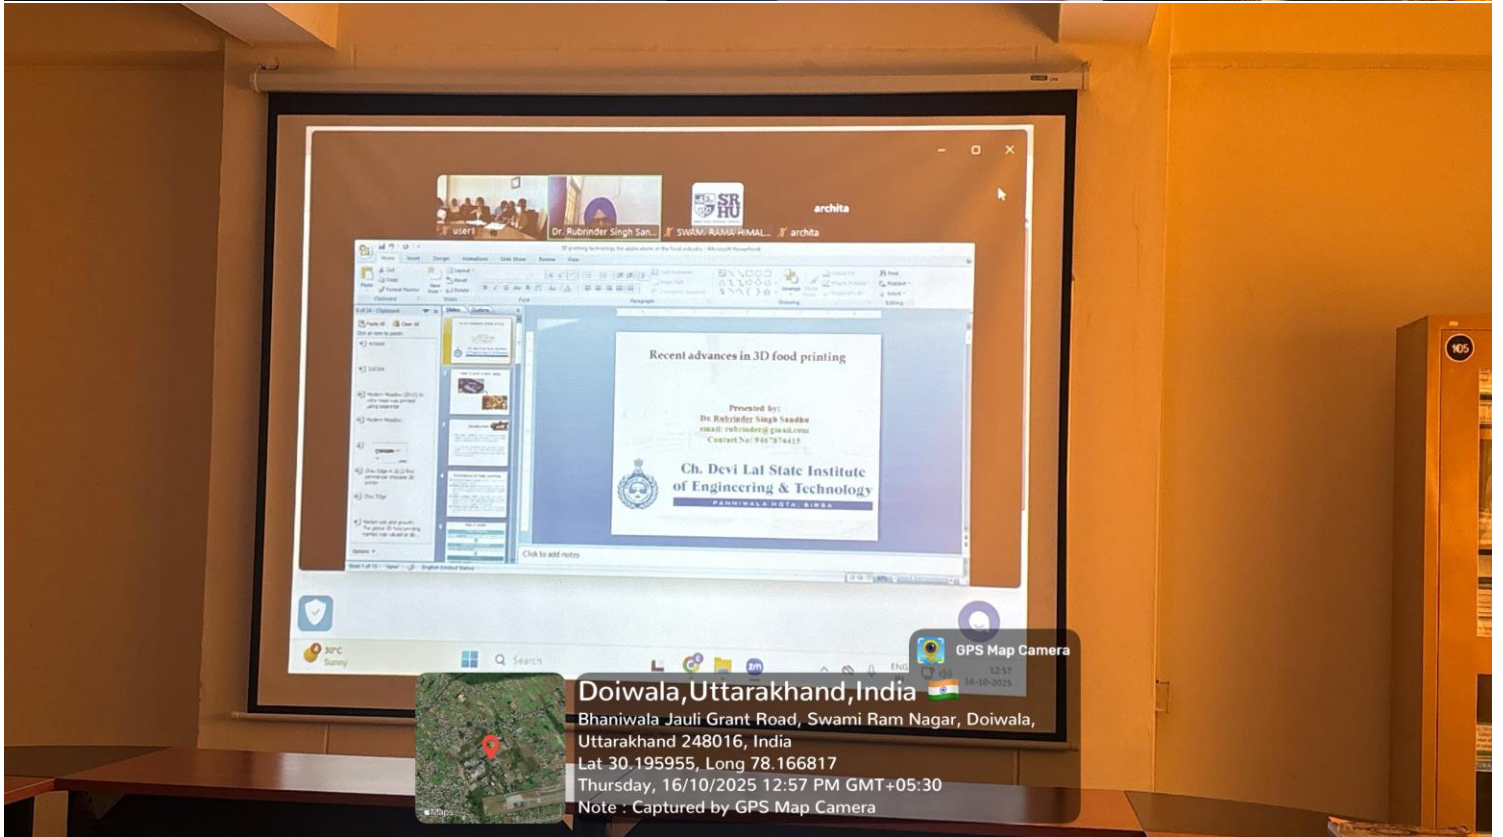

The symposium was conducted in an interactive **online mode**, enabling participation from across different institutions and regions. The distinguished speakers were **Dr Laxmikant Badwaik**, Professor, Department of Food Engineering and Technology, Tezpur University, Assam; **Dr Jasmeet Kour**, Assistant Professor, Department of Food Science & Technology, PSPS, Government College for Women, Gandhinagar, Jammu Cluster, University of Jammu; **Dr Sheetal Thakur**, Assistant Professor, University Centre for Research & Development, University Institute of Biotechnology, Chandigarh University, Mohali, Punjab; **Dr Arun Kumar Pandey**, Assistant Professor, Amity University, Jaipur, Rajasthan; and **Dr Rubrinder Sandhu**, Assistant Professor in Food Technology, CDLSIET, Panniwala Mota, Sirsa. The symposium fostered a deeper understanding of the global food crisis and emphasized the urgent need for integrated, science-based solutions. It encouraged students and researchers to align their projects with sustainability goals and contribute toward India's mission of achieving **Zero Hunger (SDG 2)** and **Responsible Consumption and Production (SDG 12)**.
