## Report

- **Title of the Event/Activity:** Career Glow Up Night: Ideas. Pitches. Vibes
- **Date / Duration:** 18 May 2026
- **Venue:** Virtual Mode (Google Meet)
- **Coordinator / Organized by:** School of Science & Technology, SRHU
- **Resource Person Details:** Ms. Aastha Yadav, B.Tech(CSE) 2nd Year,  
**Google Gemini Ambassador (GID: 2478)**

### **Summary / Overview:**

The School of Science & Technology organized an online seminar on “**Career Glow Up Night: Ideas. Pitches. Vibes**” on 18 May 2026 through Google Meet. The session commenced at 8:30 PM and focused on career development, communication skills, personal branding, and modern career-building practices.

The speaker highlighted the importance of confidence, creativity, networking, and effective self-presentation in today's competitive professional environment. Students were guided on refining their career goals, improving pitching abilities, and developing a strong professional identity.

The session also included discussion on emerging AI tools such as Google Gemini and Nano Banana for AI-powered content and image generation, emphasizing their applications in creativity, productivity, and personal branding.

The event aimed to bridge the gap between academic learning and professional expectations by encouraging students to enhance their communication, presentation, and networking skills. The session remained interactive throughout, allowing participants to actively engage and clarify their queries related to career growth and modern digital tools.

### **Objective:**

- To help students develop confidence and professional communication skills.
- To encourage creativity, self-presentation, and networking abilities.
- To provide awareness about modern career-building practices and AI tools.
- To guide students in refining career goals and personal branding strategies.

### **Number of Participants: 40**

### **Outcome/Achievement:**

The session created a positive impact on the participating students.

The key outcomes are summarized below:

- Students gained awareness about personal branding and professional presentation skills.
- Enhanced understanding of modern career-building and networking practices.
- Increased confidence in communication, pitching, and self-expression.
- Students learned about AI tools such as Google Gemini and Nano Banana and their practical applications.
