Report on Guest Lecture

Name of Activity: Guest Lecture

Topic: Beyond the Ribcage: A Dive into Thoracic Surgery

Date: 10th April 2026

Time: 12:30 pm to 1:30 pm

Venue: Mother Teresa Auditorium, HCN

No. of Participants: 189

Facilitator: Dr. Kamli Prakash, HOD, Adult Health Nursing

The Department of Adult Health Nursing, Himalayan College of Nursing organized a Guest Lecture on the “Beyond the Ribcage: A Dive into Thoracic Surgery” on 10th April 2026. The event was conducted under the vision of Dr. Sanchita Pugazhendi, Principal, Himalayan College of Nursing, and the guidance of Dr. Kamli Prakash, Vice Principal and HOD, Adult Health Nursing, Himalayan College of Nursing, SRHU.

The lecture was delivered by the esteemed resource person, Ms. Shalini Youssouf, Assistant Professor, Medical Surgical Nursing, M.M College of Nursing, Mullana. The session aimed to enhance the knowledge and understanding of students regarding thoracic surgical procedures and their nursing management.

Ms. Shalini Youssouf provided an insightful overview of thoracic anatomy and discussed various surgical interventions involving the lungs, pleura, and mediastinum. She elaborated on commonly performed thoracic surgeries such as lobectomy, pneumonectomy, and minimally invasive procedures like video-assisted thoracoscopic surgery (VATS). The lecture also emphasized preoperative and postoperative nursing care, including patient preparation, monitoring, pain management, and prevention of complications.

The session was highly interactive and included an engaging question-and-answer session, where students actively participated and clarified their doubts. Real-life clinical scenarios were discussed, helping bridge the gap between theoretical knowledge and practical application. The resource person also highlighted the importance of critical thinking and prompt nursing interventions in improving patient outcomes in thoracic surgery cases.

A feedback session was conducted at the end of the lecture, where participants shared their views and appreciated the informative and practical nature of the session. The feedback received was overwhelmingly positive, reflecting the effectiveness and relevance of the lecture.

A felicitation ceremony was conducted to honor the resource person for her valuable contribution. The session concluded with a formal vote of thanks delivered by Ms. Priya JPN, who expressed gratitude to the respected dignitaries, the resource person, and all the participants for making the event a success. The program ended on a cheerful note with a group photograph.
