The Department of Child Health Nursing, Himalayan College of Nursing, organized informative guest lecture on the topic “Baby friendly Hospital initiatives”. The session was delivered by Dr. Nesa Sathya Satchi, Former Principal, Apollo College of Nursing, Chennai. The lecture aimed to promote, protect, and support breast-feeding by ensuring that maternal and newborn care facilities provide an environment where mothers can successfully initiate and continue breast-feeding. She provided a comprehensive overview of recent updates in the baby friendly hospital initiative, hospital based children services standards, new monitoring manual, revised implementation guidance. She emphasized the focus on breast feeding support, hospital practices and training healthcare staff, community linkages. The session was highly interactive, with students actively participating and clarifying their doubts. Her practical insights and real-life experiences added immense value to the discussion. The lecture concluded with a vote of thanks by Dr. Sanjenbam Emon Chanu, Head of Department of Child Health Nursing appreciating her enlightening presentation and valuable contribution to the academic enrichment of students. Overall, the session proved to be highly beneficial and reinforced the importance of continuous learning in the ever-evolving field of child health nursing.
