Objective of the Programme

To enhance the knowledge of postgraduate students and faculty regarding medical negligence, forensic medicine, and medico-legal aspects relevant to general surgical practice.

Detailed Report of the Event

The Department of General Surgery, Himalayan Institute of Medical Sciences, Swami Rama Himalayan University, organized a Guest Lecture on the topic "**Medical Negligence**" from **4th to 5th February 2026** as part of the Postgraduate Teaching Programme.

The session was delivered by **Dr. Harvinder Singh Chabra**, Assistant Professor, Department of Forensic Medicine. He provided an in-depth and insightful discussion on the concept of medical negligence, highlighting its relevance in day-to-day surgical practice. The lecture emphasized the medico-legal responsibilities of surgeons, including standards of care, proper documentation, informed consent, and the legal consequences of professional negligence.

The session was academically enriching and clinically relevant. Real-life examples were discussed to help participants understand the medico-legal challenges faced by surgeons in clinical practice. Junior Residents and Faculty members of the Department of General Surgery actively participated, leading to interactive discussions and clarification of doubts related to medico-legal issues.

Overall, the guest lecture was well-received and contributed significantly to the academic development of postgraduate students. The Department of General Surgery expresses its sincere gratitude to **Dr. Harvinder Singh Chabra** for his valuable contribution and expertise.

Outcome of the Programme

- Improved awareness of medical negligence and medico-legal aspects in general surgery
- Enhanced academic and practical understanding among postgraduate students
- Promoted interdisciplinary learning between General Surgery and Forensic Medicine
