

SRHU/SST/Int./2026-038

Dated: 03rd February 2026**Notice**

Dear Students,

We are pleased to inform you that the School of Science & Technology (SST), in collaboration with the Cancer Research Institute (CRI), is organizing a Guest Lecture on Awareness Lecture for National Cancer Awareness Day.

The theme “**United by Unique**” highlights a people-centred and compassionate approach to cancer care.

The details of the activity are as follows:

Date	Time	Venue
04 th February 2026 (Wednesday)	11.30 Am to 12.30 PM	School of Science and Technology (SST)

Guest Speakers:

- Dr. Vipul Nautiyal , Professor & Head, Radiation Oncology, Cancer Research of Institute, Swami Rama Himalayan University
- Dr. Vishu Vijyant Chauhan, Associate Professor. Nuclear Medicine, Cancer Research of Institute, Swami Rama Himalayan University

The session will focus on **cancer awareness, early detection, prevention**, and the importance of **patient-centred and compassionate care**, in line with the World Cancer Day theme.

Summary / Overview: The School of Science & Technology, SRHU, organized a Guest Lecture on Cancer Awareness to educate students on cancer prevention, early detection and healthy living. The session included an expert talk by Dr. Vipul Nautiyal, who discussed cancer risk factors, preventive measures, and the importance of early care. He emphasized HPV vaccination for females and advised avoiding tobacco and cigarettes to prevent oral and cervical cancers. The session effectively promoted awareness, empathy, and healthy lifestyle practices among students.

Participation Details:

A total of 50 students participated in the program, reflecting keen interest and engagement in health awareness initiatives. The participants actively interacted during the session, creating an attentive and responsive learning environment. The event was conducted at the School of Science & Technology, fostering awareness, dialogue, and a positive attitude toward cancer prevention and healthy lifestyle practices.

Event Flow:

11:30 AM – 11:40 AM: Introduction to the session and importance of cancer awareness

11:40 AM – 12:20 PM: Expert talk on Cancer Awareness by Dr. Vipul Nautiyal Sir

12:20 PM – 12:30 PM: Interaction with students

Objective:

- To create awareness about cancer, its causes, and preventive measures.
- To educate students on early detection and the importance of timely treatment.
- To highlight the role of cancer-preventive vaccinations, especially the HPV vaccine.
- To sensitize students towards empathy and support for cancer patients.
- To motivate students to adopt responsible and healthy lifestyle practices.

Number of Participants: 50 Students

Outcome/Achievement:

- Improved students understanding of cancer risk factors, prevention, and early detection.
- Enhanced awareness about the importance of HPV vaccination and preventive healthcare.
- Increased sensitivity among students regarding stigma, empathy, and support for cancer patients.
- Motivated students to take an active role in spreading cancer awareness within their communities.
- Encouraged responsible health practices and proactive attitudes towards personal and public health.
- Dr. Vipul Nautiyal strongly motivated all girl students to take proactive steps toward their health by encouraging vaccination, with special emphasis on timely HPV vaccination as a preventive measure against cervical cancer.

Conclusion:

The Cancer Awareness Session was highly informative and impactful. This event enhanced students' knowledge and awareness, fostering empathy and a proactive approach toward cancer prevention and care. He motivated girl students to prioritize timely HPV vaccination to prevent cervical cancer and advised boy students to avoid tobacco and cigarette use to reduce the risk of mouth cancer, and emphasized adopting a healthy lifestyle for overall well-being.
