The School of Science & Technology, SRHU organized this program from 27th January 2026 to 09th February 2026 with the objective of holistically enhancing students' problem-solving and logical reasoning capabilities required for aptitude and placement examinations. The program systematically prepared students for quantitative aptitude, verbal ability, and analytical reasoning rounds commonly adopted by leading recruiters. Special emphasis was placed on improving speed, accuracy, and time management skills to enable students to perform efficiently under exam-like time constraints. In addition to aptitude preparation, the initiative focused on building students' confidence and overall employability, thereby strengthening their performance in technical as well as HR interviews. Overall, the program played a significant
