e-learning workshops -An Initiative of IQAC

Academic year 2019-20

Teaching during Covid was a challenging task for faculty as they needed to learn the Online tools and techniques of teaching. During these challenging times IQAC took the initiative to equip the faculty with Online teaching skills through a workshop series attended by all the faculty of the University.

NOTICE REGARDING E-LEARNING SKILLS REFRESHER WORKSHOP

Date: 13/07/2019

Dear Sir/ Madam,

In continuation of our commitment to fostering excellence in e-content creation, we are pleased to announce a two-day Refresher Workshop on E-Learning Skills scheduled for July 29th and 30th July, 2019. This workshop aims to further enhance your capabilities in developing quality e-content with the objectives to:

1. Explore creative methods for developing e-teaching material without relying on IT support.
2. Emphasize the importance of maintaining uniformity and adhering to appropriate standards for operability.

Schedule:

Date: July 29-30, 2019

Time: 3:00 PM- 4:30 PM

Venue: Auditorium, SRHU

We encourage you to nominate faculty members from your college/unit to participate in this workshop. Please submit the names of the nominated individuals by 20th July 2019 (4 pm) and forward the names at vidishavallabh@srhu.edu.in / jyantiseemwal@srhu.edu.in.

Faculty members are requested to bring their laptops as this will be a hands-on workshop.

We look forward to your active participation in this refresher workshop, which aims to empower you with the latest e-learning skills and strategies.

Thanks and Regards

Report on E-Learning Skills Refresher Workshop

Refresher Workshop on E-Learning Skills (29th - 30th July, 2019)

S.NO	TOPIC	TIME	VENUE	CO-ORDINATOR
1.	An introduction to e-learning	3:00-3:30 PM	Auditorium, SRHU	Dr Vidisha Vallabh (HIMS)
2.	Tools for e-content creation	3:30- 4:00 PM		Dr Sonam Bhadauriya
3.	Q&A and application	4:00-4:30 PM		(HSMS)

A refresher workshop on E-Learning Skills was conducted as a follow-up to the E Learning workshop held in the previous years. The original workshop aimed to equip faculty members from affiliated schools and colleges with the knowledge and skills needed for effective e-content creation and delivery. The refresher workshop was conducted by Dr. Vidisha Vallabh Department of Community Medicine, Himalayan School of Medical Sciences and Dr Sonam Bhadauria, Assistant Professor, Himalayan school of Management Sciences. The workshop provided an opportunity for participants to deepen their understanding and update their skills in the rapidly evolving field of e-learning.

The refresher workshop was organized into three comprehensive sessions on both the days , each focusing on specific aspects of e-learning. Dr. Vidisha Vallabh led the first session, delving into the fundamental concepts, principles, and objectives of e-learning. Participants gained insights into various types of e-learning, including individual and group learning, self-paced and offline learning, and synchronous and asynchronous learning.

The second session, facilitated by both Dr. Vidisha Vallabh and Dr. Sonam Bhadauria, focused on practical tools for e-content creation. The workshop covered a wide range of tools, including Microsoft and Google products, Popplet, Pixton, Piktochart, Miro, Screencast-O-Matic, Sketchfab, Speaker Deck, ThingLink, Tinkercad, Edpuzzle, and QuillBot AI. Participants received hands-on experience with these tools, gaining valuable insights into their applications for diverse e-learning scenarios.

The final session provided participants with the opportunity to engage in a question-and-answer session, clarifying doubts and seeking further guidance on specific aspects of e-learning. Practical applications of the tools discussed were explored, allowing participants to apply their newfound knowledge in real-world contexts. Day 1 (29th July) witnessed the participation of 114 participants and Day 2 (30th July) witnessed the participation of 124 participants.

Dear Sir/Ma'am,

Subject: To nominate faculty members for the "Faculty training **workshop** for **online** teaching-learning and assessment" at HIMS.

The Medical Education Unit at HIMS is conducting 4 Faculty training **workshops** for "**online** teaching-learning and assessment". You are requested to attend the **workshop** and besides yourself, nominate names of 3 to 4 faculty members (except those departments who have fewer faculty, they can train maximum faculty from their department) from your department for the 4 **workshops**, as per the convenience of your department. These **workshops** shall commence from 9.00 AM ,until 2.00 PM. Please find the final schedule of the **workshops** as an attachment to the mail. The **workshop** will be conducted through zoom and all faculty participants are requested to download zoom app, google meet and google classroom app on their mobiles and laptops. Please keep your laptops ready and take help of the IT department in case of technical assistance. Each **workshop** will have the following number of faculty:

25 Faculty from HIMS, 10 from Nursing, 10 from Engineering ,5 from Management, 2 from Bioscience research, 2 from Paramedical, 2 from Yoga Sciences. (So multiply by 4 for 4 **workshops**).

Please keep your laptops ready and take help of the IT department in case you need some technical assistance for attending the sessions. Three Faculty Training Workshops (two-days each) were conducted on Online Teaching and Learning. The workshops provided participants with comprehensive insights into various tools and strategies to enhance digital education delivery. The workshop covered a diverse range of topics to equip educators with the skills needed for effective online instruction.

Day 1 covered the following areas:

1. **Introduction to E-learning:**
Participants gained a foundational understanding of e-learning, its benefits, and its relevance in modern education.
2. **Creating Google Groups:**
Practical sessions guided participants through the process of creating Google Groups, fostering collaboration and communication among learners.
3. **Using Google Groups for Effective Learning (Concept of Threads):**
An in-depth exploration of the organizational structure within Google Groups, emphasizing the concept of threads for streamlined discussions.
4. **Creating Google Forms for Assessments:**
Hands-on exercises demonstrated the creation of Google Forms for seamless assessment and feedback collection.
5. **Creating Effective PowerPoints for E-learning (Audio Narration in PPT):**
Practical insights into designing engaging PowerPoint presentations, incorporating audio narration for a more immersive learning experience.
6. **Using Google Class Effectively:**
Participants learned strategies to optimize the use of Google Classroom for efficient content delivery and interaction.
7. **Ethical and Safety Concerns:**
The workshop delved into ethical considerations and safety concerns related to online teaching, ensuring a secure and inclusive learning environment.

Day 2 covered the following areas:

1. **Using Zoom Effectively:**
Practical tips and best practices for utilizing Zoom as an effective online teaching platform.
2. **Flipped Classroom:**
An exploration of the flipped classroom model, allowing participants to understand and implement this innovative teaching approach.
3. **Using Google Meet Effectively:**
Strategies for leveraging Google Meet to facilitate engaging and interactive virtual classrooms.
4. **Recording Assessments:**
Guidance on recording assessments for asynchronous learning, allowing for flexibility in evaluation.
5. **Addressing Problems of Students and Feedback:**
Discussions on addressing challenges faced by students in the online environment and providing constructive feedback.

6. **E-Portfolio:**
An overview of the concept of e-portfolios, showcasing the benefits of documenting and presenting learning achievements online.
7. **Edmodo: LMS (Learning Management System):**
Insights into utilizing Edmodo as an effective Learning Management System, enabling efficient organization and delivery of course content.
