Subject: Provisional Admission Offer – MD (Pharmacology) (2024 Batch)

Dear Nehal Tyagi,

Congratulations! On behalf of the Admissions Committee and the Dean of Kalinga University, we are pleased to offer you provisional admission to the MD (Pharmacology) program for the 2024 batch.

Admission Criteria:

Your admission to the program is subject to the fulfillment of the following criteria:

- **MBBS Degree:** You must possess an undergraduate MBBS degree from a medical college recognized by the MCI/NMC.
- **Internship:** A one-year compulsory rotating internship from a recognized institution is required.
- **Registration:** Permanent registration with a State Medical Council or the MCI is mandatory.
- **Entrance Exam:** You must qualify for the NEET-PG (National Eligibility cum Entrance Test for Post Graduate) exam.

The Doctor of Medicine (M.D.) in Pharmacology at Kalinga Institute of Medical Sciences is a three-year, full-time postgraduate program designed to provide in-depth knowledge and practical expertise in medical microbiology, including bacteriology, virology, mycology, parasitology, immunology, and infection control. The program integrates clinical exposure, laboratory training, research, and diagnostics to prepare students for careers in medical education, clinical laboratories, and public health research.

The curriculum is guided by experienced faculty and aligned with the standards prescribed by the National Medical Commission (NMC), ensuring both academic excellence and professional competence.

This offer is provisional and subject to the verification of original documents, eligibility criteria, and completion of admission formalities as per university regulations. Kindly complete all necessary procedures before the stipulated deadline to confirm your seat in the program.

We look forward to welcoming you to Kalinga Institute of Medical Sciences, Bhubaneswar, and wish you success in your academic and professional journey.

Best Regards,

Kalinga University
