

CERTIFICATE OF SELF-EMPLOYMENT

This is to certify that Dr. Rashi Bhatnagar is a self-employed professional working in the capacity of a Clinical Psychologist (A), Rehabilitation Psychologist, and Special Educator, duly licensed and registered with the Rehabilitation Council of India (RCI).

She is a trained psychotherapist and provides psychological consultation, psychotherapy, assessment, and intervention services to children, adolescents, and adults. Her professional work also includes training and capacity building of students and professionals in the fields of Psychology and Special Education.

Dr. Rashi Bhatnagar offers her services nationally as well as internationally and is associated with various Government and Non-Government Organisations, as well as serves on school panels for assessment, training and consultation purposes.

She operates her independent practice under self-employment and manages all professional engagements, consultations, and collaborations autonomously.
