|------------|-----------|-------------------|------------------------------------------------------|-----------------------|
| 01-07-2025 | Tuesday   | Faculty lecture   | Spinal cord injury - classification - remaining part | AB                    |
| 02-07-2025 | Wednesday | Seminar           | AAD and BI                                           | KR                    |
| 03-07-2025 | Thursday  | Group Discussion  | Neuroscience meet                                    | -                     |
| 04-07-2025 | Friday    | Seminar           | Intervertebral disc and artificial disc              | NK                    |
| 05-07-2025 | Saturday  | Group Discussion  | Image Session: Vagus nerve                           | PS                    |
| 06-07-2025 | Sunday    | -                 | Holiday                                              | -                     |
| 07-07-2025 | Monday    | Case presentation | Long case: History and examination                   | NK                    |
| 08-07-2025 | Tuesday   | Faculty lecture   | MRI of spine- Part 1                                 | SP                    |
| 09-07-2025 | Wednesday | Group Discussion  | Neuro-radiology Session                              | PS with NM            |
| 10-07-2025 | Thursday  | Group Discussion  | Neuroscience meet                                    | -                     |
| 11-07-2025 | Friday    | Seminar           | Chiasmal syndromes                                   | KR                    |
| 12-07-2025 | Saturday  | Group Discussion  | Image Session: ACA and its course                    | SR                    |
| 13-07-2025 | Sunday    | -                 | Holiday                                              | -                     |
| 14-07-2025 | Monday    | Case presentation | Long case: History and examination                   | KR                    |
| 15-07-2025 | Tuesday   | Seminar           | Encephalocele                                        | PS                    |
| 16-07-2025 | Wednesday | Journal           | NASCET trial                                         | NK                    |
| 17-07-2025 | Thursday  | Group Discussion  | Neuroscience meet                                    | -                     |
| 18-07-2025 | Friday    | Group Discussion  | Thesis updation                                      | All residents         |
| 19-07-2025 | Saturday  | Seminar           | Aphasia                                              | SR                    |
| 20-07-2025 | Sunday    | -                 | Holiday                                              | -                     |
| 21-07-2025 | Monday    | Faculty lecture   | Surgical approach to pineal region tumors            | BT                    |
| 22-07-2025 | Tuesday   | Seminar           | Spinal TB- repeat                                    | PS                    |
| 23-07-2025 | Wednesday | Faculty lecture   | MRI of spine- Part 2                                 | SP                    |
| 24-07-2025 | Thursday  | Group Discussion  | Neuroscience meet- Neurosurgery- Pathology           | -                     |
| 25-07-2025 | Friday    | Seminar           | Apraxia and Agnosia                                  | SR                    |
| 26-07-2025 | Saturday  | Group Discussion  | Image Session: Lumbar and sacral plexus              | NK                    |
| 27-07-2025 | Sunday    | -                 | Holiday                                              | -                     |
| 28-07-2025 | Monday    | Journal           | Trials in decompressive craniectomy in TBI           | KR                    |
| 29-07-2025 | Tuesday   | Seminar           | Approach to case of proptosis                        | SR                    |
| 30-07-2025 | Wednesday | Sessional         | Examination                                          | All residents         |
| 31-07-2025 | Thursday  | Group Discussion  | Neuroscience meet                                    | -                     |

Department of Neurosurgery

**Department of Neurosurgery**

**Himalayan Institute of Medical Sciences**

**Revised Neurosurgery Academic Roster for the Month of September 2025**

| Date       | Day       | Activity          | Topic                                                    | Presenter / Moderator |
|------------|-----------|-------------------|----------------------------------------------------------|-----------------------|
| 01/09/2025 | Monday    | Case Presentation | Long Case Presentation                                   | KR                    |
| 02/09/2025 | Tuesday   | Seminar           | Ascending Tracts                                         | AK / SR               |
| 03/09/2025 | Wednesday | Seminar           | Horizontal + Vertical Gaze Pathway                       | PS                    |
| 04/09/2025 | Thursday  | Group Discussion  | Neuroscience Meeting                                     | -                     |
| 05/09/2025 | Friday    | Seminar           | Liliequist membrane/Failed back syndrome/ Arachnoid cyst | NK                    |
| 06/09/2025 | Saturday  | Group Discussion  | Thesis review + Log Book                                 | All Residents         |
| 07/09/2025 | Sunday    | -                 | Holiday                                                  | -                     |
| 08/09/2025 | Monday    | Case Presentation | Long Case Presentation                                   | PS                    |
| 09/09/2025 | Tuesday   | Seminar           | Descending Tracts                                        | AP / PS               |
| 10/09/2025 | Wednesday | Examination       | Examination of lower limbs                               | SR / KR               |
| 11/09/2025 | Thursday  | Group Discussion  | Neuroscience Meeting                                     | -                     |
| 12/09/2025 | Friday    | Faculty Lecture   | Types of craniotomies                                    | BT                    |
| 13/09/2025 | Saturday  | Group Discussion  | Mortality Meet + Histopathology Update                   | All Residents         |
| 14/09/2025 | Sunday    | -                 | Holiday                                                  | -                     |
| 15/09/2025 | Monday    | Seminar           | Rexed laminae                                            | AK / PS               |
| 16/09/2025 | Tuesday   | Faculty Lecture   | NCV                                                      | SP                    |
| 17/09/2025 | Wednesday | Group Discussion  | Neuro-radiology Session                                  | With NM team          |
| 18/09/2025 | Thursday  | Group Discussion  | Neuroscience Meeting                                     |                       |
| 19/09/2025 | Friday    | Seminar           | Juglar foramen and foramen magnum tumor                  | PS                    |
| 20/09/2025 | Saturday  | Seminar           | Anatomy of cervical thoracic and lumbar vertebra         | AP / SR               |
| 21/09/2025 | Sunday    |                   | Holiday                                                  |                       |
| 22/09/2025 | Monday    | Case Presentation | Long Case Presentation                                   | NK                    |
| 23/09/2025 | Tuesday   | Seminar           | Pathophysiology of head injury                           | SR                    |
| 24/09/2025 | Wednesday | Faculty Lecture   | Decision making in Neurovascular pathologies             | AB                    |
| 25/09/2025 | Thursday  | Group Discussion  | Neuroscience Meeting                                     | -                     |
| 26/09/2025 | Friday    | Seminar           | Brachial plexus injury + Facial nerve injury             | KR                    |
| 27/09/2025 | Saturday  | Image Session     | Microscopic anatomy of cerebrum & cerebellum             | PS / SR               |
| 28/09/2025 | Sunday    |                   | Holiday                                                  |                       |
| 29/09/2025 | Monday    | Case Presentation | Long Case Presentation                                   | SR                    |
| 30/09/2025 | Tuesday   | Seminar           | Cervical Fracture- Classification management             | NK                    |
