Hi Ayush,

As per our discussion yesterday, we are planning to have the campus drive conducted on 30<sup>th</sup> Sep'23, which is Saturday.

We need a final go-ahead and the list of students participating in the drive, so that we can have our backend planning done accordingly.

Please update.

P.S. – We need time to prepare the sheet for assessment and also for PI and GIS Sheet which needs to be filled by each student needs to be send to you as well.

An early response would be much appreciated.
