Dear Placement Team of SRHU,

*Greetings from Knack Systems & Services Pvt. Ltd.!*

We are pleased to share an exciting opportunity for the position of **Software Engineer** at our Mumbai office. Knack Systems is a leading technology solutions provider specializing in enterprise software implementation, digital transformation, and IT consulting services across global markets.

**Position:** Software Engineer – Grade I

**Qualification:** B.E./B.Tech/MCA in Computer Science or related field for a 2024 passing batch only.

### **Required Skills:**

- Proficiency in programming languages (Java, Python, etc.)
- Understanding of OOP, data structures, and algorithms
- Familiarity with SDLC and Agile methodologies

We look forward to engaging with talented candidates who are passionate about technology and innovation.

We'd appreciate it if a **Pool Campus drive** could be arranged at your institute, ideally with nearby engineering colleges to help us reach a broader talent pool.

Also shared the JD for opening of Software Engineer and excel template for the student information

**Warm regards,**

**Dear Ms. Meena,**

Thank you for sharing the opportunity with us.

We are pleased to confirm our readiness to host the **Campus Pool drive** at SRHU. The job details have already been circulated among our students and shared with nearby engineering institutes to ensure wider participation.

We propose to conduct the drive during the **first or second week of March 2024**, subject to your availability and preferences. Kindly let us know if these dates work for your team.

Looking forward to a successful collaboration.

**With warm regards,**

Dear Ms. Meena,

Greetings from the Placement Department, SRHU!

Thank you for confirming the date for **campus drive** and we are pleased to host **Knack Systems** at SRHU on **9th March 2024** for a campus drive.

As per our telephonic conversations, we have compiled a preliminary list of eligible students from SRHU and other colleges and shared it with this email.

To ensure a smooth and professional experience for your recruitment team, the following arrangements will be made:

- Seminar Hall with projector for pre-talk
- Two cabins for interviews
- Computer lab for aptitude test (40+ capacity)
- Printer/scanner/stationery support

Please feel free to share any additional requirements or preferences regarding the schedule, test format, or interview structure.

Looking forward to a successful and engaging campus drive.

With warm regards,
