Dear Placement team,

Greetings from Logicladder!!

Logicladder Technologies Private Limited, founded in 2011 and headquartered in Gurgaon, Haryana, is a dynamic and innovative company specializing in application development and software solutions within the professional, scientific, and technical sectors. With a strong focus on sustainability and digital transformation, Logicladder empowers industries through cutting-edge technology platforms that enable real-time environmental data monitoring and analytics.

Led by visionary directors Mayank Chauhan and Atindra Chandel, the company fosters a culture of excellence, collaboration, and continuous learning—making it an ideal destination for aspiring graduates eager to make a meaningful impact in the tech world.

We are willing to conduct the interview for the opening if "**Software Engineer - Trainee**" for the BCA/B.Sc. CS/B.tech CSE final year students graduating in 2024.

The job description and the remuneration details are attached for reference.

We want the selected students to be onboard from 25th November 2023.

We can discuss the drive dates if the above condition is okay with your institution.

Thanks and Regards,
