Report

Department: Computer Science and Engineering

Activity Name: Career Counselling

Date & Time: 09th May 2024 (12:00 PM – 01:00 PM)

No. of Participants: 36 (B.Tech 3rd year, B.Tech 2nd year, MCA 1st year)

Venue: HSST Auditorium

Coordinator: Mr. Rachit Lakhera

Keynote Speaker: Mr. Ayush Sharma, Placement Coordinator, SRHU

Overview

The primary objective of career counselling activities is to empower students to make well-informed decisions about their future careers. By providing guidance, resources, and personalized support, these initiatives aim to assist students in identifying their strengths, interests, and goals, ultimately enabling them to chart a path towards a fulfilling and successful career.

Participants and Audience:

Numerous students from computer science disciplines enthusiastically participated in the competition. In the session the students cleared their doubts by asking various questions regarding the confusions, they usually face while deciding their career.

Event Structure:

Career counselling was designed to an elaborative introduction about the various opportunities and scope in the field of computer science. He suggested varied ways and ideas on how to opt the career in IT.

Conclusion

Career counseling for computer science students should aim to provide personalized guidance tailored to each student's interests, strengths, and career goals. By evaluating their skills, passions, and aspirations, students can make informed decisions about potential career paths within the broad field of computer science. Ultimately, the goal of career counseling is to empower computer science students to make confident decisions about their future careers and to support them in achieving their professional goals. We extend our heartfelt congratulations to all participants and express gratitude to our principal, faculty, volunteers, and participants for making this event a resounding success.
