Report

Department: Computer Science and Engineering

Event Name: Session on "Exploring Career Opportunities Abroad" under 'Alumni Talk Series' Activity

Date: 24th April 2024

No. of Participants: 84

Coordinator: Dr. Anupama Mishra

Speaker: Mr. Siddhant Rajhans, Alumni Batch 2019-2023, currently pursuing MS in Machine Learning at Stevens Institute of Technology, USA

Objective: The primary objectives of this seminar are to:

- Introduce students to diverse international career and higher education opportunities.
- Highlight the personal and professional growth associated with global exposure.
- Discuss common barriers such as visa processes, financial planning, and cultural differences.
- Strengthen alumni engagement and provide mentoring avenues for current students

Summary:

The session was started with a welcome address that warmly welcomed the audience and set the tone for an insightful and inspiring session. Next, Dr. Pramod Kumar, Principal of SST, provided an insightful introduction to the theme of the event. He emphasized the importance of a global outlook in today's interconnected world. He highlighted the role of education in crossing geographical boundaries and encouraged students to be proactive in seeking international opportunities. Mr. Siddhant Rajhans, an alumnus of the 2019–2023 batch, B.Tech. Program and currently pursuing his M.S. in Machine Learning at Stevens Institute of Technology, USA, shared valuable insights into his academic journey from SRHU to studying abroad. He provided a comprehensive overview of the application process, including university selection, preparation for standardized tests such as the GRE and TOEFL, and crafting impactful Statements of Purpose (SOPs) and Letters of Recommendation (LORs). Looking ahead, he emphasized the rising global demand for professionals in AI and data science and the necessity of staying current with evolving technological trends. Additionally, he underscored the significance of contributing to climate solutions and engaging in socially responsible research and innovation. Dr. Anupama Mishra, Assistant Professor at SST, concluded the session by thanking the speaker and participants.
