

SRHU/HSST/Int./2024-030/1

Dated: 10th February 2024

Notice

Dear Students,

The Himalayan School of Science and Technology, in collaboration with the Placement Department, is organizing a Placement Counseling Session for BCA Pre-Final Year Students to provide career guidance and placement assistance.

This session aims to provide valuable career guidance, skill development, and placement assistance to help students prepare for future job opportunities.

Date: 14th February -17th February (Wednesday to Saturday)

Venue: Allotted Lecture Theater

Time: 11:30 AM– 12:30 PM

This interactive session will be conducted by Mr. Ayush Sharma, Head, Placement Department, offering students a chance to clarify their doubts and gain practical knowledge to enhance their employability.

All BCA Pre-Final Year Students are strongly encouraged to attend and take advantage of this opportunity to shape their career prospects effectively.

Details of the activity is given below:

Day and Date	Time	Venue
Wednesday -Saturday (14 th February-17 th February 2024)	11:30 AM – 12:30 PM	Allotted Lecture Theater

Trainer:

Report

Department: Computer Science and Engineering

Event Name: Career Counselling

Date & Time: 14th to 17th February 2024

No. of Participants: 58

Venue: Lecture theatre 1 and 2, HSST

Event Coordinator: Dr. Gaurav Sharma

Overview

The Career Counselling Program was conducted from February 14th to 17th, 2024, at the HSST Lecture Theatres in collaboration with the Placement Cell. Organized by HSST and the Placement Department, the event was attended by pre-final-year BCA students. Mr. Ayush Sharma, Head of the Placement Department at SRHU, was the keynote speaker. The training session focused on essential career guidance and skill development to prepare students for their professional journeys.

The primary goal of the program was to equip students with valuable career insights and soft skills crucial for their growth and success in the professional world. The training aimed to bridge the gap between academic knowledge and industry expectations

Agenda:

The program focused on the following key areas of career counselling and soft skill development:

- Understanding Career Goals:** During the session, a self-assessment was conducted to help participants explore their interests, skills, and values. Strengths and weaknesses were identified, and discussions took place on setting both short-term and long-term career goals to establish a clear professional roadmap.
- Exploring Career Options:** This session covered an overview of various career paths, allowing participants to explore different industries and professions. Emerging job market trends were discussed, along with insights into future opportunities in different sectors to help participants make informed career choices.

- Educational & Skill Development Guidance:** Guidance was provided on selecting the right courses and certifications to support career growth. The session emphasized the importance of both technical and soft skills, while also highlighting the value of internships, volunteering, and networking in gaining practical experience and industry exposure.
- Resume Building & Interview Preparation:** The session focused on resume-building techniques, covering the key elements of a strong resume and providing tips on writing an effective cover letter. Common interview questions were discussed, and mock interview practice was conducted to enhance participants' confidence and readiness for job opportunities.
- Conclusion:**

The career counselling program proved to be a significant initiative towards enhancing the career readiness of pre final-year students at HSST. This collaboration with HSST and the Placement Cell successfully delivered a well-structured training session, equipping students with the necessary knowledge and guidance to excel in the job market. Such programs should be encouraged and conducted regularly to further strengthen students' professional capabilities.
