**THEME: CAREER PLANNING**

The Centre for Professional & Communication Enrichment (C-PACE) conducted a Career Counselling Workshop on 12<sup>th</sup> February 2025 for the students of the Himalayan School of Management Studies (HSMS). The workshop was held at the HSPS Seminar Hall from 11:00 AM to 1:00 PM and catered to a group of 10 participants.

The session, facilitated by Mr. Ashish Gupta, was focused on the theme “*Career Planning*” and aimed at guiding students in aligning their interests, strengths, and values with appropriate academic and professional choices. Mr. Gupta provided practical insights into career road mapping, industry research methods, and the evaluation of higher education versus immediate employment opportunities.

Students actively participated in engaging activities, including a career interest inventory, life goals worksheet, and group sharing of aspirations and pathways, which allowed them to gain personalized perspectives on career options.

The workshop proved to be highly impactful, as students reported gaining greater clarity on both immediate and long-term career actions. The session also addressed strategies for academic progression, competitive preparation, and field-specific opportunities. A noteworthy outcome was that several participants requested follow-up mentoring to explore their chosen career fields in greater depth.

The workshop concluded on a motivating note, equipping students with practical tools, self-awareness, and confidence to make informed career decisions.
