## REPORT

**Organized by** : Climate Action Club, Swami Rama Himalayan University  
**Date** : 06<sup>th</sup> September 2024  
**Venue** : Himalayan School of Management Studies  
**Time** : 10:00 AM – 11:00 AM

The Climate Action Club, in collaboration with Hindustan Hindi Newspaper, organized the “Himalay Bachao Abhiyan” Oath Programme on 6<sup>th</sup> September 2024 at the Himalayan School of Management Studies, Swami Rama Himalayan University (SRHU). The event formed a part of the week-long Himalay Bachao Abhiyan (Save the Himalayas Campaign), conducted annually from 1st to 9th September, to coincide with the observance of Himalaya Diwas on 9th September. The campaign focuses on creating awareness and mobilizing collective action for the preservation and protection of the fragile Himalayan ecosystem.

The objective of the programme was to sensitize students about the effects of climate change, the importance of environmental conservation, and the need for sustainable development practices to safeguard natural resources. The Himalayas, often referred to as the lifeline of northern India, are facing growing threats from deforestation, global warming, and unregulated human activity. Through this initiative, SRHU reaffirmed its commitment to fostering environmental awareness and action among its students and staff.

During the programme, approximately 350 students, faculty, and staff members from the Himalayan School of Science and Technology (HSST), Himalayan School of Management Studies (HSMS), Himalayan School of Biosciences (HSBS), and Himalayan School of Yoga Sciences (HSYS) took the oath to protect and preserve the Himalayas. The pledge symbolized a unified resolve to promote eco-friendly practices, reduce carbon footprints, and contribute to maintaining the ecological balance of the Himalayan region.

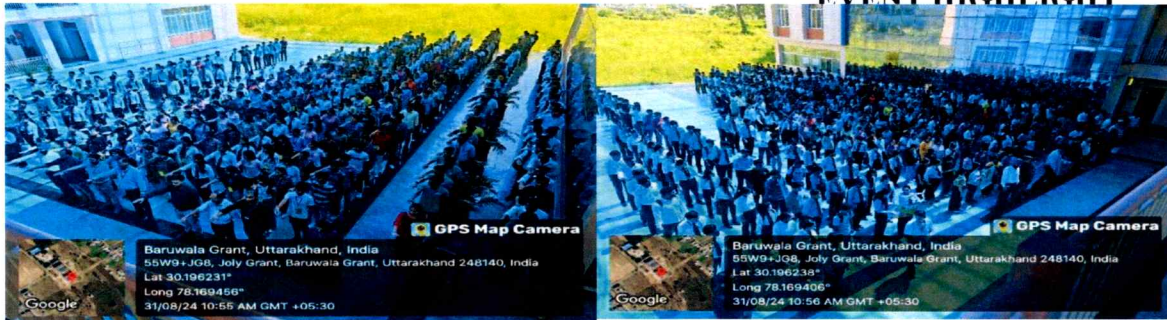

The event concluded with a message emphasizing that environmental protection is not merely a responsibility but a shared moral duty toward future generations. The “Himalay Bachao Abhiyan” Oath Programme successfully inspired participants to become ambassadors of change and to uphold SRHU’s vision of sustainability and environmental stewardship.
