CYBERSECURITY AWARENESS CLUB (Technology & Digital Health Clubs)

1. Introduction

The Cybersecurity Awareness Club at SRHU promotes safe digital practices across campus by educating students and staff on cyber hygiene, responsible device usage, and emerging threats. Aligned with SRHU's value-added courses and outreach efforts, the club focuses on awareness, training, and behavioural change - empowering the campus community to navigate digital spaces securely and ethically.

2. Objectives

The objectives of the Club are:

- Raise awareness about cyber threats including digital arrest scams, fake profiles, and phishing
- Promote safe usage of mobile phones and computers in personal and professional contexts
- Support SRHU's cybersecurity education efforts through student-led campaigns and staff engagement
- Encourage ethical digital behaviour and informed decision-making across all devices and platforms

3. Club Committee

The Club shall be governed by a committee comprising the following members:

Composition	Roles
Ms. Anupama Mishra, Assistant professor, HSST	Chairperson
Ms. Neelam Danu, Assistant professor, HSST	Treasurer
Mr. Satyendra Singh Rawat, Assistant professor, HSST	Member Secretary
Rishabh Bisht, B. Tech.	Member (Student Coordinator)

REPORT

Organized by	: Cyber Security Awareness Club, Swami Rama Himalayan University
Date	: 09 th April 2024
Venue	: Himalayan School of Sciences and Technology, Swami Rama Himalayan University
Time	: 10:00AM - 04:30PM

The Cybersecurity Awareness Club of SRHU successfully organized a one-day national seminar titled "*Exploring the Role of Artificial Intelligence in Cybersecurity Using IBM Watson*" on 9th April 2024. The event aimed to introduce students to the rapidly evolving intersection of Artificial Intelligence and cybersecurity, emphasizing real-world applications and industry-relevant tools.

The seminar commenced with a warm welcome to all participants and dignitaries, creating an engaging academic atmosphere. The keynote address was delivered by Dr. Mayank Aggarwal, an eminent academician and Head of the CSE Department at Gurukul Kangri. Dr. Aggarwal presented an insightful and highly informative session, focusing on how AI technologies, particularly IBM Watson, are transforming modern cybersecurity practices.

During the seminar, Dr. Aggarwal elaborated on the growing challenges in digital security and demonstrated how AI-powered systems enhance threat detection, vulnerability assessment, and automated incident response. He provided practical demonstrations showcasing IBM Watson's analytical capabilities and its integration into cybersecurity workflows. Students also actively participated in interactive discussions, gaining clarity on the potential of AI-driven solutions in addressing complex cyber threats.

The seminar effectively fulfilled its objective of equipping students with a strong foundational understanding of AI-enabled cybersecurity mechanisms. It broadened their perspective on emerging technologies and encouraged them to explore career opportunities in this dynamic domain.

The event concluded with a formal vote of thanks delivered by Dr. Pramod Kumar, acknowledging the efforts of the speaker, organizers, and participants in making the seminar a resounding success.
