REPORT

Organized by	: Electoral Literacy Club, Swami Rama Himalayan University
Date	: 26 th November 2024
Venue	: Himalayan School of Science and Technology, LT-03
Time	: 10:00AM onwards

On 26th November 2024, the Electoral Literacy Club, Swami Rama Himalayan University in collaboration with Himalayan School of Science & Technology (HSST), organized a meaningful program to observe Indian Constitution Day. The event was held in LT-03, HSST, with an aim to honor the adoption of the Constitution of India and to promote awareness among students about its enduring significance in shaping the democratic foundation of the nation.

The celebration sought to highlight the core constitutional values of justice, liberty, equality, and fraternity, which form the guiding principles of Indian democracy. The program began with an enlightening address by Dr. Ashutosh Kumar Choudhary, who provided an overview of the historical background and drafting of the Constitution, emphasizing its vital role in safeguarding the rights and duties of Indian citizens. He particularly focused on the right to vote, describing it as a cornerstone of democracy and an essential means through which citizens actively participate in nation-building.

As part of the observance, a student from B.Tech (CSE) I Semester delivered a seminar on the Fundamental Rights and Duties enshrined in the Constitution. The presentation encouraged thoughtful reflection among the participants, helping them understand the balance between individual freedoms and civic responsibilities in a democratic society.

The event served as a timely reminder of the Constitution's continuing relevance in contemporary India and the role of youth as custodians of democratic ideals. It inspired students to uphold constitutional values in their personal and professional lives and underscored the importance of active, informed participation in civic and electoral processes.

The Indian Constitution Day celebration at HSST was successful in fostering a deeper understanding of democratic governance and promoting a sense of constitutional awareness among students, aligning with the university's commitment to nurturing responsible and informed citizens.
