Objective: The primary objective of the lecture was to highlight the importance of clinical trials in new drug discovery and development and significance of Good Clinical Practice in Clinical Research.

Date: June 20, 2024

Welcome Address

The event commenced with a warm welcome address by Dr. Rajinder Dobhal, [Insert Position, e.g., Director General/Principal/Dean]. Dr. Dobhal highlighted the significance of the lecture in the context of the growing interest in integrated medicine and holistic health practices. He emphasized the importance of exploring diverse medical approaches to enhance patient care and improve overall health outcomes.

Dr. Akshay Anand from PGI Chandigarh lauded the contributions of Padmashri Dr. H. R. Nagendra in the field of Yoga and integrated medicine. He underscored Dr. Nagendra’s global recognition as a Yoga Guru and his pivotal role in promoting the integration of traditional and modern medical practices. Dr. Akshay Anand expressed his gratitude to Dr. Nagendra for sharing his insights and expertise with the audience, setting the tone for an enlightening and enriching session.

Overview of Integrated Medicine

Dr. Nagendra commenced the lecture by defining integrated medicine as a comprehensive approach that amalgamates conventional Western medicine with complementary and alternative therapies. This methodology aims to treat the individual holistically—addressing the mind, body, and spirit—rather than solely focusing on symptomatic treatment.

Key Points Discussed

1. Historical Context and Evolution:

- Dr. Nagendra provided a historical overview of integrated medicine, tracing its roots from ancient practices to its modern-day implementation.

- He highlighted the pivotal role of traditional systems like Ayurveda and Yoga in promoting health and preventing diseases.
- 2. Principles of Integrated Medicine:**
- The fundamental principles include patient-centered care, holistic treatment, and the application of diverse therapeutic modalities.
 - Emphasis was placed on creating personalized treatment plans tailored to the unique needs of each individual.
- 3. Benefits of Integrated Medicine:**
- Improved patient outcomes through the combination of therapies addressing physical, emotional, and spiritual well-being.
 - Minimization of side effects associated with conventional treatments by integrating natural and less invasive therapies.
- 4. Case Studies and Research:**
- Dr. Nagendra presented several case studies illustrating the efficacy of integrated medicine in managing chronic conditions such as diabetes, hypertension, and mental health disorders.
 - He also discussed ongoing research and scientific validation of integrated approaches, underscoring the increasing acceptance within the medical community.
- 5. Challenges and Future Directions:**
- Despite its numerous benefits, integrated medicine faces challenges including regulatory hurdles, lack of standardization, and skepticism from the mainstream medical community.
 - Dr. Nagendra advocated for enhanced research, education, and policy support to effectively integrate these practices into the healthcare system.

Interactive Session

The lecture concluded with an interactive Q&A session, during which attendees inquired about practical applications, training opportunities, and the integration of these practices in conventional medical settings. Dr. Nagendra provided thoughtful and informative responses, promoting a collaborative approach to healthcare.

Vote of Thanks

Dr. Vijendra Chauhan delivered the vote of thanks, expressing heartfelt gratitude to Padmashri Dr. H. R. Nagendra for his inspiring and insightful lecture. Dr. Chauhan thanked Dr. Nagendra for taking the time to share his extensive knowledge and experiences in the field of integrated medicine. He acknowledged the valuable contributions of the organizing committee, the participants, and the audience for their enthusiastic involvement.

Dr. Chauhan also appreciated the efforts of Dr. Rajinder Dobhal for his excellent welcome address and for setting the stage for a fruitful discussion. He reiterated the importance of integrated medicine and encouraged everyone to continue exploring and implementing holistic approaches in their respective fields. Finally, Dr. Chauhan expressed his hope for future collaborations and continued dialogue to advance the practice of integrated medicine.

Conclusion

Padmashri Dr. H. R. Nagendra's lecture on "Integrated Medicine – The Way Forward" was both enlightening and inspiring, offering a comprehensive overview of the potential and challenges of integrating traditional and modern medical practices. The session emphasized the necessity for a more inclusive and holistic approach to healthcare, setting the stage for future advancements in integrated medicine.

Integrated Medicine effective in treating many diseases: Dr HR Nagendra

By OUR STAFF REPORTER
DEHRADUN, 20 Jan In 1978
Nagaraja further advanced to
Prime Minister Narendra Modi
and Chancellor of Swami
Vivekananda Yoga Research
Institute, invited Swami Rama
Himalayan University (SHRI
Kali) Ganga lode,
As part of various
programmes organized in
celebration of International Yoga
Day, a special lecture by Dr H
Nagaraja was also held.

The event, organized by SRIW's Research Cell at A. R. Kishore Auditorium, commenced with the lighting of the lamp before the portrait of the founder Dr. Swami Rama.

Dr Nagendra mentions that despite being the birthplace of integrated medicine, India only has a few medical institutions that have integrated yoga and Ayurveda with modern medical practices. Unlike Western medical institutions, he shared his research experience noting that integrated medicine significantly reduced diabetic symptoms in 250,000 per-

during a study. As a result, research papers from this source were published in peer-reviewed journals worldwide. He also has plans to address hypertension and cardiovascular disease among youth through education and medicine.

SHERI Vice-Chancellor
Rashida Dabbal emphasizes the influence of Ayurveda in lives and advocated its integration.

Neurosurgeon Dr. A

Dr. Veenendra Chaudhari expressed gratitude to his Naipendia stating that integrated medicine is the need of the hanging times.

The programme was supported by Director of Research Dr Binodu De and Nikku Yadav, Dr Akshay Anand, Dr Postani Pashupati, Dr Sumeet Saxena and others.

VIKSIT BHARAT: THE ROLE OF HIGHER EDUCATION INSTITUTIONS

Guest Lecture Report

Event Management Club

Topic: Viksit Bharat: The Role of Higher Education Institutions

Date: January 18, 2025

Time: 10:30 AM – 12:00 PM

Venue: Adi Kailash Auditorium

Organized By: Swami Rama Himalayan University and National Academy of Science India (NASI)

Speaker: Prof. B.S. Murthy, Director, IIT Hyderabad

No. of Participants: The event was attended by participants, including undergraduate and postgraduate students, faculty members, and researchers.

Introduction

Swami Rama Himalayan University and National Academy of Science India (NASI) organized a guest lecture on “Viksit Bharat: The Role of Higher Education Institutions” to provide students and faculties with insights into role of higher education institutions which can significantly contribute to the vision of Viksit Bharat by 2047, fostering a prosperous and equitable society. The session was led by Prof. B.S. Murthy, Director, IIT Hyderabad.

Objective of the Lecture:

The objectives of Viksit Bharat 2047 (Developed India 2047) aims to transform India into a globally leading, inclusive, and sustainable economy by its 100th year of independence.

The session aimed at focusing the pivotal role of Higher Education Institutions (HEIs) in realizing the vision of Viksit Bharat 2047, ensuring that India becomes a global knowledge hub, an innovation-driven economy, and an inclusive society.

Summary of the Lecture:

By focusing on innovation, skill development, inclusivity, sustainability, and global collaboration, Prof. Murthy highlighted the following key topics:

1. Fostering Innovation & Research

- Promoting cutting-edge research in science, technology, healthcare, and sustainability.
- Encouraging startups and entrepreneurship through incubators and research parks.
- Collaborating with global institutions and industries to drive innovation.

2. Skill Development & Employability

- Aligning curricula with industry needs to bridge the skill gap.
- Expanding vocational training, internships, and hands-on learning.
- Promoting multidisciplinary education as per the National Education Policy (NEP) 2020.

3. Digital & Technological Advancement

- Adopting AI, machine learning, and data science in education and research.
- Expanding online learning and digital platforms for remote accessibility.
- Encouraging ed-tech solutions to enhance learning outcomes.

4. Social Equity & Inclusive Education

- Ensuring access to education for underprivileged and marginalized communities.
- Strengthening scholarships and financial aid programs for deserving students.
- Promoting gender equality and women's empowerment in higher education.

5. Sustainability & Environmental Responsibility

- Encouraging research in renewable energy, climate change, and sustainability.
- Implementing green campuses and eco-friendly initiatives.
- Educating students on sustainable development goals (SDGs).

6. Strengthening Global Competitiveness

- Positioning Indian universities among the world's top-ranked institutions.
- Encouraging international collaborations and student exchanges.
- Enhancing research publications and patents at a global scale.

Interactive Session: Following the lecture, an interactive Q&A session was conducted, where students and faculty engaged with Prof. BS Murthy on various aspects of Viksit Bharat.

Key Takeaways

1. **Fostering Innovation and Research:** HEIs are instrumental in promoting a culture of innovation, encouraging research that addresses real-world challenges, and contributing to technological advancements. By nurturing critical thinking and problem-solving skills, they prepare students to become innovators and leaders.
2. **Bridging the Skill Gap:** Aligning curricula with industry demands ensures that graduates possess relevant skills, enhancing their employability. Emphasis on vocational education and skill development programs is crucial for creating a competent workforce that can drive economic growth.
3. **Promoting Inclusive Growth:** HEIs play a significant role in ensuring inclusive growth by providing access to quality education for all sections of society. This

inclusivity contributes to the Viksit Bharat @2047 campaign by harnessing the potential of the entire population.

4. **Integrating Moral and Ethical Education:** A holistic education strategy that combines academic excellence with moral and ethical education is essential. This approach fosters responsible citizenship and social consciousness among students, aligning with the vision of a developed India.
5. **Adapting to Technological Advancements:** Embracing digital transformation in education, such as implementing online learning platforms and digital resources, enhances accessibility and keeps pace with global educational trends. This adaptability ensures that the education system remains relevant and effective.

Conclusion

The guest lecture was highly informative and provided students and faculty members with valuable insights into the role of Higher Education Institutions in Viksit Bharat. The session ended with a vote of thanks by the Head of the Department, expressing gratitude to Dr. Amjad Hussain, Director, HCIE for sharing his expertise and enlightening the students and faculty members.

Feedback: A feedback survey was conducted among the attendees, and the responses indicated a high level of satisfaction and interest in future Viksit Bharat-related sessions.
