REPORT

Organized by	: Hope and Horizon Club, Swami Rama Himalayan University
Date	: 17 th September 2024
Venue	: Himalayan College of Nursing, Swami Rama Himalayan University
Time	: 02:30PM - 04:30PM

Hope and Horizon Club, in collaboration with Himalayan College of Nursing, SRHU, conducted a comprehensive pledge campaign to raise awareness about the dangers of substance abuse and promote a drug-free lifestyle among future healthcare professionals. The event served as an important step towards empowering nursing students to become informed advocates of change within the healthcare system and their communities.

A total of 669 students from various academic programs including B.Sc. Nursing, Post Basic B.Sc. Nursing, M.Sc. Nursing, and Nurse Practitioner in Critical Care actively participated in the initiative by taking a formal “Say No to Drugs” pledge. The campaign aimed not only to educate students on the physical, mental, and social consequences of drug use but also to strengthen their resolve by encouraging them to lead by example.

The enthusiastic participation of students across multiple academic levels reflected a shared commitment to creating a healthier, safer, and addiction-free environment. Through this initiative, students were encouraged to stay vigilant in recognizing early signs of substance abuse and to extend support to individuals in need.

As part of the campaign, each participant received an e-certificate, symbolizing their personal commitment and serving as a motivational reminder to inspire others in choosing a drug-free lifestyle. These certificates acknowledged their contribution toward promoting the vision of a drug-free society.

This initiative highlights Himalayan College of Nursing’s dedication to holistic education that emphasizes not only academic excellence but also character building and social responsibility. It aligns seamlessly with the broader mission of building a Drug-Free Dev Bhoomi and empowering the youth to act as catalysts for meaningful and sustainable change.
