# THE KNOWLEDGE FOUNDRY CLUB
## (Academic & Professional Development Clubs)

### Introduction

The **Knowledge Foundry Club** is a vibrant interdisciplinary platform where students from diverse fields come together to forge innovative ideas and lifelong learning habits. Through research activities, workshops, and collaborative problem-solving, it serves as a "foundry" where curiosity is transformed into insight, academic excellence is shaped, and young thinkers are prepared to meet real-world challenges.

### 2. Objectives
The objectives of the Club are:
- *Foster a culture of inquiry and innovation across disciplines.*
- Promote critical thinking and problem-solving through collaborative learning.
- Support skill development through workshops, discussions, and peer learning.
- Build a knowledge-sharing ecosystem among students and faculty.

### 3. Club Committee
The Club shall be governed by a committee comprising the following members:

| Composition | Roles |
|---|---|
| Prof. Yogendra Singh | Chairperson |
| Mr. Inderpal Singh | Treasurer |
| Mr. Abhishek Kumar Pandey | Member Secretary |
| Ms. Shaifali Kotnala | Student Coordinator |

## REPORT

**Organized by** : The Knowledge Foundry Club, Swami Rama Himalayan University
**Date** : 18th October 2024
**Venue** : B.C. Roy Auditorium
**Time** : 3:00 PM – 3:30 PM

The Knowledge Foundry Club of Swami Rama Himalayan University (SRHU) in collaboration with the National Academy of Sciences, India (NASI) Uttarakhand Chapter, successfully organized a Workshop on "Scopus – As a Citation Tool and Research Evaluation Indices" on 14 June 2024. The event was designed for faculty members, research scholars, and students of SRHU to enhance their understanding of scientific research metrics, citation databases, and the role of Scopus in global research evaluation.

The workshop aimed to cater to the academic and research needs of the university community by sensitizing participants to the importance of Scopus in scientific research and scholarly communication. It provided an in-depth understanding of research evaluation parameters such as Impact Factor, CiteScore, h-index, g-index, i-10 index, i-20 index, and Altmetric indicators, which are essential tools for assessing research productivity and impact.

The session commenced with a warm welcome and introductory remarks by Prof. Yogendra Singh, *University Librarian, Swami Rama Himalayan University*, who outlined the objectives and structure of the workshop. The workshop was formally inaugurated by Dr. Rajendra Dobhal, *Vice Chancellor, SRHU*, and was addressed by Dr. Vijendra D. Chauhan, *Director General (Academic and Development)*, who emphasized the university's focus on promoting a robust research culture and academic excellence.

Following the inauguration, Prof. Yogendra Singh delivered an informative presentation on the various aspects of Scopus, including search techniques, journal-level metrics, author-level metrics, and advanced searching methods. He elaborated on how researchers can effectively utilize Scopus for literature surveys, citation tracking, and identifying high-impact journals for publication. He also discussed the use of CiteScore and Altmetrics to evaluate scholarly communication beyond traditional citation measures.

The keynote technical session was conducted by Dr. Nitin Ghoshal from *Elsevier*, who discussed Scopus as a Citation Tool, highlighting its features, functionality, and global relevance in academic research. His session provided participants with valuable insights into how Scopus can aid in identifying credible sources, tracking citation trends, and evaluating research visibility.

The workshop included interactive discussions, live demonstrations, and Q&A sessions, where participants engaged actively with the speakers, clarified complex concepts, and shared their own research experiences. The sessions were followed by a short assessment test to reinforce learning and evaluate participants' understanding.

Approximately 70 participants attended the workshop, including postgraduate students, research scholars, and faculty members from the various constituent academic units of the university.

The workshop concluded on a positive note, with participants expressing appreciation for the opportunity to gain hands on knowledge about Scopus and research evaluation metrics. The event underscored SRHU's commitment to fostering a research-oriented academic ecosystem and promoting excellence in scholarly publishing.

## REPORT

| | |
|---|---|
| **Organized by** | : The Knowledge Foundry Club, Swami Rama Himalayan University |
| **Date** | : 25th July 2024 |
| **Venue** | : B.C. Roy Auditorium |
| **Time** | : 3:00 PM – 3:30 PM |

The Knowledge Foundry Club of **Swami Rama Himalayan University (SRHU)** in collaboration with Oxford University Press (OUP), successfully organized an "Authorship Workshop" for faculty members, doctors, and research scholars on 25 July 2024. The objective of the workshop was to provide practical guidance on how to publish research with Oxford University Press journals, enhancing participants' understanding of academic writing, publishing ethics, and the global publishing process.

The two-hour interactive session covered key aspects of scholarly publishing, helping participants navigate the stages of preparing, submitting, and publishing a manuscript with OUP. The workshop was designed to benefit both early-career researchers and experienced academicians seeking to improve the quality and visibility of their research publications.

The session began with a warm welcome and introductory remarks by Prof. Yogendra Singh, *University Librarian, Swami Rama Himalayan University*, who outlined the goals and significance of the event. The workshop was inaugurated by Dr. Rajendra Dobhal, *Vice Chancellor, Swami Rama Himalayan University*, who addressed the gathering and emphasized the importance of publishing high-quality research in reputed international journals.

The key resource person for the workshop was Ms. Sumita Sen, *Regional Customer Training & Implementation Manager (North & East Europe, South & South-East Asia, Middle East & Africa), Oxford University Press*. Ms. Sen delivered a highly informative and engaging session, explaining the nuances of academic publishing and sharing valuable tips for successful manuscript submission.

The workshop covered a comprehensive range of topics, including:

- Differences between a thesis and an article
- How to write a manuscript
- Types of journal manuscripts
- Selecting the right journal for publication

Dr. Yogendra Singh
Chairperson

- Uploading a manuscript on the OUP platform – article submission process
- The journal publishing cycle
- Understanding Open Access and its types
- Introduction to "Read & Publish" models

Ms. Sen elaborated on the OUP submission system, highlighting how authors can ensure compliance with publication standards, improve the readability of manuscripts, and increase citation potential. She also addressed ethical aspects of publishing, the peer-review process, and Open Access policies.

The workshop concluded with an interactive Q&A session, where participants raised questions regarding manuscript preparation, plagiarism checks, and journal selection strategies. The discussion provided valuable clarity on navigating the complexities of scientific publishing and maximizing the impact of research outputs.

Approximately 76 participants attended the session, including postgraduate students, research scholars, and faculty members from the various constituent academic units of the university. The workshop concluded on a positive note, with participants expressing appreciation for the opportunity to gain hands on knowledge about Scopus and research evaluation metrics. The event underscored SRHU's commitment to fostering a research-oriented academic ecosystem and promoting excellence in scholarly publishing.
