ZERO WASTE CLUB (SDG Champions Club)

1. Introduction

The Zero Waste Club at SRHU promotes responsible consumption and sustainable waste management practices across campus. Aligned with SDG 12, the club encourages students to reduce, reuse, and recycle through awareness campaigns, hands-on initiatives, and eco-conscious behavior. It supports SRHU's commitment to circular economy principles by engaging students in composting, e-waste handling, and zero-waste event planning.

2. Objectives

The objectives of the Club are:

- Promote awareness of sustainable consumption and waste segregation practices.
- Encourage student-led initiatives in composting, recycling, and reuse.
- Support SRHU's zero-waste campus goals through responsible event planning and outreach.
- Collaborate with departments and vendors to reduce single-use plastics and improve waste audits.

3. Club Committee

The Club shall be governed by a committee comprising the following members:

Composition	Roles
Dr. Ashutosh Kumar Choudhary, Assistant Professor, HSST	Chairperson
Dr. Vibhor Sharma, Assistant Professor, HSST	Treasurer
Ms. Anupama Mishra, Assistant Professor, HSST	Member Secretary
Mayank Bhat, MCA	Member (Student Coordinator)

REPORT

Organized by : Zero Waste Club, Swami Rama Himalayan University
Date : 05th August 2024
Venue : Himalayan School of Biosciences
Time : 10:00 AM – 12:00 PM

The Zero Waste Club of Swami Rama Himalayan University, in collaboration with the Green Pahadi Foundation (NGO), organized an insightful guest lecture for the students of the Himalayan School of Biosciences (HSBS) on 5th August 2024. The session aimed to introduce students to the practical applications of biosciences in environmental waste management and sustainable development, inspiring them to integrate scientific knowledge with community-centered environmental initiatives.

The resource person, Mr. Abhishek, representative of the Green Pahadi Foundation, delivered an engaging and motivational talk on the importance of environmental waste management, sustainability, and responsible resource use. He highlighted the growing need to reduce waste generation, promote recycling, and adopt sustainable practices to preserve natural ecosystems.

During his address, Mr. Abhishek shared insights into the commendable work undertaken by the Green Pahadi Foundation, including its initiatives in empowering rural communities, promoting eco-friendly livelihoods, and developing sustainable waste management systems in Uttarakhand. The session also emphasized the importance of community participation in environmental conservation and how grassroots organizations play a pivotal role in fostering sustainable change.

The lecture concluded with an interactive discussion, where students expressed keen interest in environmental volunteering and research opportunities. The event successfully encouraged young learners to think critically about sustainability and to apply their bioscience knowledge in addressing real-world environmental challenges.

The Zero Waste Club continues to serve as a platform for students to engage in meaningful environmental action and learning, aligning with SRHU's vision of fostering ecological responsibility and sustainability across disciplines.

REPORT

Organized by : Zero Waste Club, Swami Rama Himalayan University
Date : 26th September 2024
Venue : Himalayan School of Biosciences
Time : 09:30AM onwards

The Zero Waste Club, in collaboration with the Himalayan School of Biosciences (HSBS), organized a Nukkad Natak (Street Play) on the theme “Garbage Free India” on 26th September 2024 at the cafeteria area of the Himalayan School of Science & Technology (HSST), Swami Rama Himalayan University. The event was conducted as part of the Swachhta Pakhwada campaign, a nationwide initiative aimed at promoting cleanliness, hygiene, and sustainable living practices.

The primary objective of the event was to spread awareness about the importance of cleanliness and responsible waste management among students and staff. Through their lively and engaging street play, the participating students highlighted crucial issues such as plastic pollution, improper waste disposal, sanitation practices, and the citizen’s role in maintaining a clean environment. The performance creatively communicated the message that a collective effort from society is essential to achieve the vision of a clean and garbage-free India.

A total of 26 students from the Zero Waste Club took part in the event, showcasing both their creativity and social commitment. Their energetic performance captivated the audience and effectively delivered a strong message about the environmental and health impacts of poor waste management. The event inspired faculty members, students, and staff to adopt cleaner and more sustainable habits in their daily lives.

The initiative was part of the broader Swachhta Pakhwada campaign, reinforcing the values of cleanliness, civic responsibility, and sustainability among the SRHU community. The Nukkad Natak not only succeeded in spreading awareness but also demonstrated the power of youth engagement in driving social and environmental change.
