**Organized by** : Zero to One Club, Swami Rama Himalayan University  
**Duration** : 07<sup>th</sup> February 2024  
**Venue** : Ideation Lounge, HCIE  
**Time** : 11:00AM to 03:00 PM

The Zero to One Club, organized an engaging Entrepreneurial Awareness Session on the topic “*Entrepreneurship Opportunities in Yoga*” on 07 February 2024 at the Himalayan School of Yoga Sciences. The session was designed to promote entrepreneurial thinking among students and to explore innovative business possibilities within the growing field of Yoga and wellness.

The session was led by Dr. Amjad Husain, Chairperson and Director of HCIE, who delivered an insightful and motivational lecture on how entrepreneurship can create new pathways for both personal and professional growth. He highlighted how the Yoga sector, deeply rooted in India’s heritage, offers immense potential for innovative startups, product development, and service-based ventures.

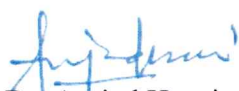

Dr. Husain shared inspiring real-life examples and startup success stories, emphasizing the importance of creativity, adaptability, and value creation in entrepreneurial journeys. He also introduced students to the incubation and support ecosystem available at HCIE, detailing how aspiring entrepreneurs can transform their ideas into viable ventures with institutional guidance and mentorship.

The speaker further discussed common challenges faced by new entrepreneurs such as resource constraints, risk management, and market entry barriers and provided practical strategies to convert these challenges into opportunities for sustainable business growth. The interactive nature of the session encouraged students to ask questions, share ideas, and reflect on how Yoga-based entrepreneurship can contribute to the nation’s economy while promoting holistic well-being.

The session significantly enhanced students’ understanding of entrepreneurship and its relevance in the Yoga sector, demonstrating how Yoga-based ventures can generate meaningful career opportunities and contribute to the wellness industry. Participants gained valuable insights into identifying business opportunities, creating innovative offerings, and understanding the importance of entrepreneurship as a driver of both economic and social transformation.

The session also motivated participants to consider entrepreneurship as a viable career path, inspiring them to pursue innovative business ideas that integrate Yoga, wellness, and health promotion into modern entrepreneurial framework

## REPORT

**Organized by** : Zero to One Club, Swami Rama Himalayan University  
**Date** : 10<sup>th</sup> October 2023  
**Venue** : Adi Kailash Auditorium  
**Time** : 11:00AM to 03:00 PM

The Zero to One Club, organized an interactive and insightful Entrepreneurial Awareness Session on 10<sup>th</sup> October 2023 at the Adi Kailash Auditorium, Swami Rama Himalayan University. The session focused on “*Entrepreneurship Opportunities in Management & Technology*” and aimed to foster entrepreneurial thinking among students of the Himalayan School of Science & Technology (HSST) and the Himalayan School of Management Studies (HSMS).

The session was conducted by Dr. Amjad Husain, Director of HCIE, who delivered an engaging lecture on how innovation, technology, and entrepreneurship are interlinked in today’s fast-evolving business landscape. Dr. Husain shared his experiences, highlighting how young professionals can transform their technical knowledge and management skills into sustainable entrepreneurial ventures. He discussed the significance of innovation-driven startups, the process of ideation, and the role of entrepreneurship in national economic development.

Throughout the session, real-life examples, startup success stories, and practical insights were shared to help students understand how business ideas can evolve from simple concepts to impactful enterprises. Dr. Husain also introduced participants to the incubation and mentoring ecosystem available at HCIE, providing an overview of the support mechanisms offered to budding entrepreneurs within the university. He further elaborated on common challenges faced by first-time entrepreneurs, such as funding limitations, risk assessment, and market competition, while guiding students on how to convert these challenges into opportunities for innovation and growth. The session also encouraged participants to engage in open discussions, reflect on their areas of interest, and explore entrepreneurship as a potential career path.

The session significantly enhanced students’ understanding of entrepreneurship and its relevance to their academic and professional journeys in management and technology. Participants gained valuable insights into the process of identifying business opportunities, building innovative solutions, and developing essential entrepreneurial skills such as problem-solving, leadership, and decision-making.

The session motivated attendees to view entrepreneurship as a viable and rewarding career option, encouraging them to think beyond conventional roles and contribute to the startup ecosystem.

## REPORT

**Organized by** : Zero to One Club, Swami Rama Himalayan University  
**Duration** : 08<sup>th</sup> August 2024  
**Venue** : Ideation Lounge, Swami Rama Himalayan University  
**Time** : 11:00AM to 03:00 PM

The Business Idea Workshop cum Bootcamp, titled “*Unlock Your Potential*”, was organized on 08<sup>th</sup> August 2024 by Zero to One Club, Swami Rama Himalayan University. The workshop was specially designed for first-year MBA students to nurture their entrepreneurial mindset and foster innovation-driven learning.

The event began with an inspiring keynote address by Dr. Amjad Husain, who shared his remarkable journey from being a researcher to becoming a successful entrepreneur. His session motivated students to embrace creativity, innovation, and resilience in their professional pursuits, setting an energetic and visionary tone for the day.

Following the talk, the students participated in a highly engaging interactive bootcamp session. They were divided into teams and tasked with identifying real-world problems that could be transformed into viable business ideas. Through collaborative brainstorming, they developed innovative startup concepts aimed at addressing existing market gaps. The participants then learned the art of effective pitching, presenting their business ideas with clarity and confidence. Each team’s presentation covered essential elements of entrepreneurship, including target customer identification, marketing strategy formulation, and financial planning.

The workshop served as a bridge between theoretical understanding and practical application, enabling students to experience the process of ideation, validation, and presentation that forms the core of entrepreneurial ventures.
