

[CORE] Facilities [FC]

Sub Criteria 4.1

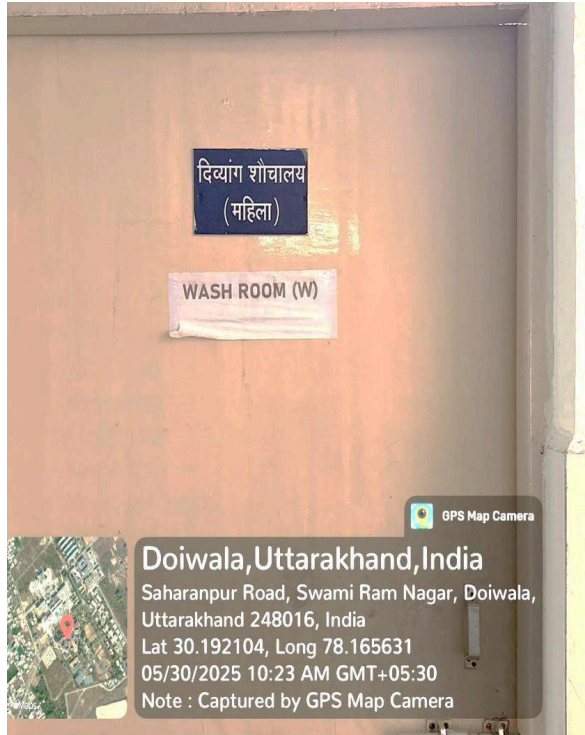

FC 10: Facilities for Differently-abled

**Special Toilets with support grab bars**

The University has installed handicapped-friendly toilets in key locations, including all colleges and the University Administrative Building. These restrooms are designed with appropriate dimensions and support features to ensure safety, hygiene, and ease of use for students with mobility impairments. SRHU remains dedicated to enhancing accessibility and continuously improving its infrastructure to support an inclusive educational experience for all students.

**Divyang Sauchalay**
