

[CORE] Facilities [FC]

Sub Criteria 4.1

FC 10: Facilities for Differently-abled

Visual-aid centre for visually impaired students

The **Central Library at SRHU** is equipped with a **Braille system** and other assistive learning tools to support visually impaired students. These resources ensure that blind and low-vision students have equal access to academic materials and independent study. SRHU is deeply committed to accessibility and continually works to enhance its facilities to provide an equitable and empowering educational experience for all student

Assistive Learning for Visually Impaired Students: Braille system
