FC 2: Medical Facilities

Presence of Health/Medical Centre on Campus

The Himalayan Institute of Medical Sciences (HIMS), a premier academic institution under Swami Rama Himalayan University (SRHU), is home to Himalayan Hospital—one of North India's foremost super-specialty teaching hospitals. Established in 1994, it is a 1,200-bedded super-specialty teaching hospital recognized for its excellence in patient care, medical education, and research. With 960 teaching beds, AYUSH therapy centers, and a state-of-the-art diagnostic facility, the hospital is the first in Uttarakhand to be accredited by the National Accreditation Board for Hospitals and Healthcare Providers (NABH), and its laboratories are certified by the National Accreditation Board for Testing and Calibration Laboratories (NABL). It also holds the prestigious TÜV Rheinland certification, reflecting adherence to global standards of quality and safety.

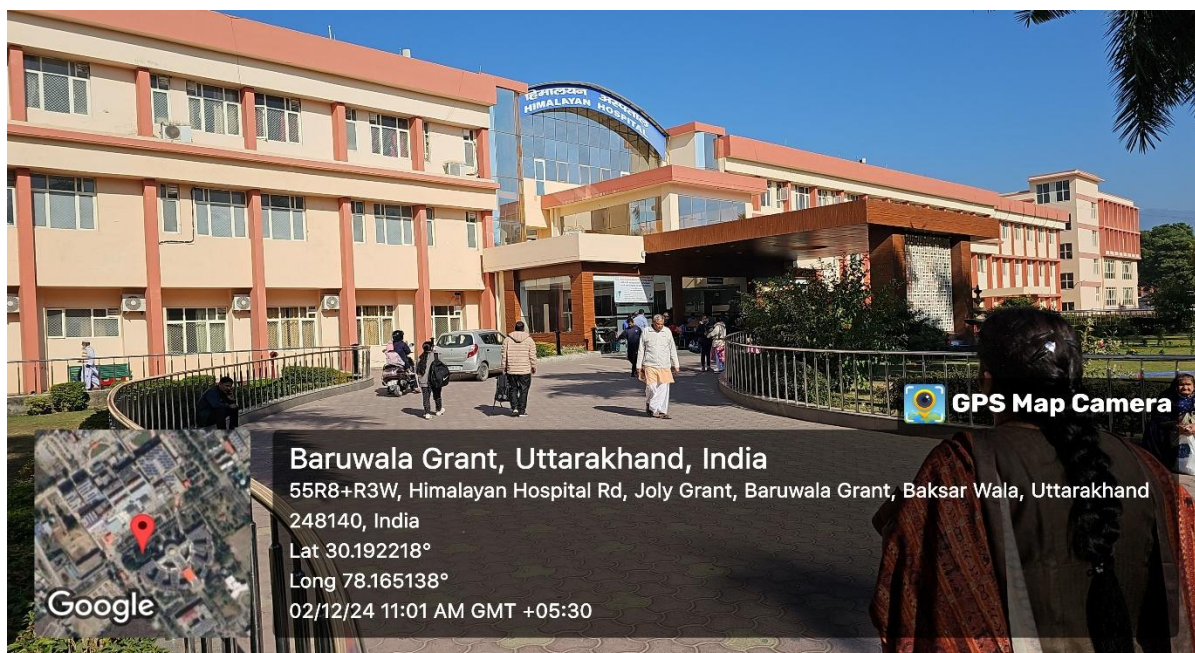

The hospital provides services covering General Medicine, Pediatrics, General Surgery, ENT, Ophthalmology, Dermatology, Psychiatry, Respiratory Medicine, Orthopaedics, Radiology, and Anaesthesia. It also houses super-specialty departments including Neonatology, Neurosurgery, Cardiothoracic and Vascular Surgery (CTVS), Urology, Nephrology, Cardiology, Endocrinology, Rheumatology, Gastroenterology, Plastic Surgery, Surgical Oncology, Hemato-oncology, Medical Oncology, and Critical Care Medicine. Himalayan Hospital houses first cancer referral center, organ transplant services such as renal and bone marrow transplants, corneal transplants, dialysis services, and cardiac surgeries in the state of Uttarakhand.

The Hospital is equipped with 20 modern operation theatres and 90 critical care beds, including 44 ICU beds, 20 CCU, 10 RICU, 10 CTVS, and 6 emergency ICU beds. It also houses a 22-bedded emergency department and a 38-bedded state-of-the-art dialysis center. Additionally, the Plastic Surgery Department's partnership with Smile Train facilitates free cleft lip and palate surgeries, benefiting patients and offering hands-on surgical experience to postgraduates.
