Fire extinguishers/Fire drills

Fire extinguisher and fire drill training equips staff with the knowledge to respond quickly and safely in case of a fire emergency. Employees are trained to identify different types of extinguishers and use them correctly. The drill familiarizes staff with evacuation routes, assembly points, and emergency protocols.

Geotagged Photographs of Fire Extinguisher Training

### **Geotagged Photographs of Fire Extinguisher in University Campus**

A **fire drill training session** was conducted for the Nursing staff on **16th April 2025** by **Mr. P.K. Rawat**. The session focused on awareness and preparedness for handling fire emergencies effectively. Staff were trained in the use of fire extinguishers, evacuation procedures, and safety measures to ensure quick response during fire incidents. The training enhanced the confidence of participants in managing emergency situations. A total of 43 employees participated in this training.
