Report on Vision Restoration Project at Kiratpur, Bijnor

Organized by: Department of Ophthalmology, Himalayan Institute of Medical Sciences (HIMS), Swami Rama Himalayan University (SRHU)

1. Overview

The Department of Ophthalmology, HIMS, SRHU organized multiple **Vision Restoration Project Camps** at Kiratpur and Inter College Kiratpur, District Bijnor, during 2024–2025. These repeated outreach camps aimed at **early identification of visual impairment**, including refractive errors, cataract, and other preventable causes of vision loss, along with raising awareness on preventive and promotive eye care.

Each camp also included **student participation**, providing them valuable exposure to community ophthalmology and screening practices.

2. Summary of Activities

Place	Date	No. of Participants
Vision Restoration Project at Kiratpur, Bijnor	29 Aug 2024	2
Vision Restoration Project at Kiratpur, Bijnor	25 Sep 2024	2
Vision Restoration Project at Kiratpur, Bijnor	29 Dec 2024	2
Vision Restoration Project at Kiratpur, Bijnor	18 Feb 2025	2
Vision Restoration Project at Inter College, Kiratpur, Distt. Bijnor	27 Apr 2025	2

3. Objectives of the Camps

- To provide comprehensive eye screening to the local community.
- To identify refractive errors, cataract, and other ocular morbidities at an early stage.
- To promote awareness on preventive eye care, eye hygiene, and regular eye examinations.
- To offer hands-on training and field exposure to participating students.

4. Activities Conducted

- Vision assessment using standard visual acuity charts.
- Screening for refractive errors and common ocular diseases.
- Preliminary anterior segment examination using torchlight.
- Counseling on preventive measures, nutrition, and eye protection.
- Referral of suspected or complex cases to Himalayan Hospital for further evaluation and management.

5. Student Participation

Each camp included **two student participants**, who actively contributed in:

- Registration and demographic data collection
- Conducting visual acuity tests
- Assisting the ophthalmology team during screening
- Creating awareness among community members

This participation helped students develop **clinical, communication, and community health assessment skills**.

6. Outcomes

- Successful organization of multiple community-based eye screening camps at Kiratpur.
- Identification of individuals in need of detailed ophthalmic evaluation and referral.
- Improved awareness about preventive eye care and early detection of vision problems among the local population.
- Strengthened student competency through field-based learning experiences.

7. Conclusion

The Vision Restoration Project conducted at Kiratpur and Inter College Kiratpur by the Department of Ophthalmology, HIMS, SRHU significantly contributed to improving community eye health.

The consistent outreach efforts highlight a strong institutional commitment to **preventive ophthalmology, early detection, community engagement, and student-centered experiential learning**.

Glimpse of the Event

Individuals receiving necessary eye-care assistance at the camp.

Hands-on training: Students checking eyesight of community beneficiaries
